Are You Boss of Your Own Job?

Can or should the assumption of personal responsibility for your work? The trained man is the responsible and well-paid man. The untrained man—the chap that does only the very detailed part of the work at another's bidding—has
no responsibilities and is paid just so much for his labor, and no more.

If you are only a detail man, the International Correspondence Schools can fit you for positions higher up—can help you to be boss of your own job. If you are earning only a small wage, the I. C. S. can raise your salary. No matter where you live, how many hours a day you work, how little spare time or money you have, or how limited your education (provided you can read and write), the International Correspondence Schools will go to you and train you for your chosen occupation. Training means rapid advancement to be boss of your own job. The 214 Courses of the I. C. S. offer you a way out of the rut of forever having to take orders from the boss.

The I. C. S. can help you just as it has helped thousands of other ambitious men that at the rate of 300 every month are voluntarily reporting salaries raised and positions bettered as the direct result of I. C. S. Training. The I. C. S. way will not require you to leave home, stop work, nor suffer any inconvenience. To find out all about the I. C. S. way—Get full information about how you can be boss of your own job and mail the attached coupon. This will cost you only postage and will place you under absolutely no obligation.
