Warning to Railroad Men.

Look out for severe and even dangerous kidney and bladder trouble resulting from years of railroading. Geo. E. Bell, 639 Third St., Fort Wayne, Ind., was many years a conductor on the Nickel Plate. He says: "Twenty years of railroading left my kidneys in terrible condition. There was a continual pain across my back and hips and my kidneys gave me much distress, and the action of my bladder was frequent and most painful. I got a supply of Foley Kidney Pills and the first bottle made a wonderful improvement and four bottles cured me completely. Since being cured I have recommended Foley Kidney Pills to many of my railroad friends." Burnaugh & Mayfield.

On a Sealy Tuftless Mattress
You will dream you drift on air,
Like you were upon an airship—
Pleasant dreams to be your share.

On a Sealy Tuftless Mattress
You'll have rest and sweet repose:
It is made for peace and comfort
And it does invite the doze.

Fluffy, stuffy, always puffy
Mattress that you can't keep down,
Like the truth it always rises—
That's what makes its wide renown.

Lumps? Indeed there's no lumps in it
It's the very even thing,
It is made of pliant cotton
And it's springy on the spring.
It's the mattress of the palace
And the mattress of the cot;
Safe and sane and sanitary
It's the best of all the lot.

It will hold its shape forever
Keeping smooth the upper spreads:
It's so easy to lie on it—
And so easy to make beds.
It is everywhere the bobby
And it's everywhere the rage,
For the Sealy Tuftless Mattress
Is the mattress of the age.
