OPPORTUNITY FOR SCHOOL CHILDREN

SPLENDID PRIZES FOR BOYS AND GIRLS AT WALLOWA COUNTY FAIR.

Here is an opportunity for the boys and girls who have been attending the public schools of Wallowa county the past year, to earn some money this summer and to get reputations as farmers and housekeepers: the boys by raising vegetables and the girls in plain sewing and breadmaking.

The La Grande Sugar Beet company has offered a prize of \$30, divided as follows: \$15 first, \$10 second, and \$5 third, for the best exhibits of sugar beets, testing highest in saccharin, tonnage per acre and perfection. A sweepstakes prize, divided: \$20 first, \$15 second, \$10 third, and \$5 fourth, is offered for the best collective exhibit of vegetables by any one pupil. And, lastly, the County Fair association has offered individual prizes of the same amount as for adults, for the best productions given in the list below:

Potatoes, early and late; Corn, field and sugar; Pumpkins, Beets, table, sugar and mangel wurtzels; Cabbage; Carrots; Parsnips; Onions; White Beans; Tomatoes, Best loaf bread \$5. Best plain sewing, \$5.

There shall be six specimens of each of the above named vegetables on exhibition at the county fair.

The pupil is to do all the work alone, except plowing, and must bring a written statement to this effect from father or mother.

A plot of sugar beets not less than one rod square, the rows twenty inches apart, the beets eight, ten or twelve inches apart in the row, must be grown. The sugar beet seed is furnished by the Sugar Beet company and enough to plant a plot of ground may be had by writing to J. C. Conley, county school superintendent.

Principal H. K. Shirk, of the Wallowa County High school, has the promise of enough seed corn, of a variety suited to this climate, from the Oregon Agricultural college, for the pupils of this contest. This seed may be secured from Superintendent Conley in time for planting.

RESIDENCE NOT REQUIRED AFTER FINAL PROOF MADE.

Attorney D. W. Sheahan has received notice of the decision of the La Grande land office in favor of his client, the defendant, in the contest case of Earl A. Pinkley vs. Elsie L. Halsey. The final proof made by the defendant's husband, Jobe Halsey, was upheld and the claim is passed to patent.

Mr. Halsey filed on the land a number of years ago and made final commutation proof, that was at first rejected but on appeal to the general land office was approved. After his death, Pinkley contested the claim on the ground that neither Mr. Halsey nor Mrs. Halsey resided on the claim after the final proof was made. The general land office refused to open the claim to contest on the ground that "after submission of satisfactory proof neither the entryman nor his wife was required to continue their residence on the land."

Pinkley then contested on the grounds that the evidence of residence made in the final proof was untrue. The contest was heard before Register Bramwell and Receiver Eberhard, who find the allegations of the contestant not borne out by the evidence.

J. A. DENNY BUYS DOCTOR E. T. ANDERSON PROPERTY.

Mr. and Mrs. J. A. Denny have purchased the residence of Dr. E. T. Anderson on West Greenwood, just west of the city limits. The property consists of several lots and a large house. Price paid was \$1800.

Doctor Anderson has gone to Welsler, Ida., where he will locate. Mrs. Anderson and children will move to Welsler after the close of school here.
