HORSE AND STOCK SHOW AT JOSEPH, SATURDAY.

Everything points to a grand success of the Horse and Stock show at Joseph next Saturday. Wallowa county has the finest stock in the Pacific Northwest, and the cream of it will be exhibited at the show.

Joseph has been a bit slow about advertising the event, no bills having been sent here at least, but everybody should turn out and see the fine stock.

The stock parade will take place at 1 p. m. Music will be furnished by the Joseph band. Several races will be pulled off in the evening.

The committee on arrangements consists of R. L. Day and B. B. Boyd of Enterprise, Sam Wade of Lostine, Jack Johnson of Imnaha, J. M. Pruitts of Prairie Creek, Henry McElroy of Wallowa, Wesley Duncan and J. M. Thompson of Joseph.

Acquittal Verdict In Zumwalt Case

Jury Out Fifteen Minutes—Alvin Harris Being Tried in Circuit Court.

Henry L. Zumwalt, indicted for stealing a foal, was acquitted by a jury in the circuit court Tuesday. The trial was begun Monday afternoon and lasted until Tuesday night, the case being given to the jury after supper. The jury was out only 15 minutes.

The trial of Alvin Harris for the murder of Fred Jacobs at Lostine was begun Wednesday morning. The trial of W. W. Wining for assault with intent to kill is set to follow the Harris trial.

The cases of the State vs Arch Willett, W. W. Willett and the Wolfe Bros. have been continued until next term.

Robert Friddles, indicted on two statutory charges, was arraigned and pleaded not guilty.

Court convened Monday morning. The following grand jury was drawn: F. A. Clarke, foreman, C. J. Allen, L. Beecher, Wm. Bonner, F. O. Clark, Joe Gill and Harvey Hendrickson.

L. F. McAulity was appointed grand jury bailiff, H. C. Cramer jury bailiff, and O. W. Pagan court bailiff.

Judge Knowles came in from La Grande and heard motions and demurrers, Friday evening and Saturday, and otherwise got the docket cleared and cases ready for trial.

As soon as you advertise, the fact that you have property to rent or sell becomes an ex-secret.

A wholesome breakfast dish may be made from wheat direct from the granary. Soak it over night and cook it all day on the back of the range. This makes a food unequalled as to nutriment, and a great favorite with all who have been served with it. A bowl of this wheat served with rich milk, makes a good breakfast for a growing child.

Potato soup: Boil a quart of potatoes and an onion until thoroughly cooked. Pour off the water. Add a piece of butter the size of an egg, and beat the whole well with a fork by wooden spoon. Heat a quart of milk and pour over this mixture. Salt and pepper to taste. Keep it hot on back of stove until served, but do not allow it to boil after the milk has been added.

Prospective tenants, nine-tenths of whom, read advertisements, will begin to "look up" your property the day you begin to advertise it.

Big Increase In 3 Bands Of Sheep

C. C. Boswell Secures Close To 100 Per Cent—News From Zumwalt Country.

Zumwalt, May 8.—A cold wave passed over this section of the country Friday afternoon followed by a severe snowstorm causing thermometers to drop below freezing point, but so far as known very little damage has been done.

J. C. Zumwalt is fencing his homestead, while his wife's spare time from household duties is spent making a garden that promises to be one of the best in this section.

John Crossland, employed on the Boswell place, was fishing in Chesnimus last Saturday. He lost his way home until he was found by friends about midnight.

H. O. Zumwalt and daughter Miss Josie were guests of Mr. and Mrs. O. J. Stubblefield, Sunday. A pleasant evening was spent in song and music by the hostess.

C. C. Boswell has completed lambing his three bands of sheep, and marked very close to 100 per cent all through, which is considered very good for this spring.

MISS HOCKETT PASSES EXAMINATION FOR BAR.

The Oregonian of Sunday published a picture of Miss Wafte Hockett, sister of Dr. C. T. Hockett of this city, who passed the examination for admission to the bar last week. Miss Hockett did not attend law school but took the studies in Senator Bowerman's office, while also acting as his stenographer. She is the daughter of Mr. and Mrs. J. M. Hockett of Eugene, a graduate of the Grants Pass high school and a Salem Commercial college.

BEE SEEDING NEARLY DONE.

Sugar beet planting will be completed in this vicinity this week and seeding is already finished around Lostine. Mr. Kerr reports the fields in splendid condition and everything is getting a most favorable start for a bumper crop.

Six Horse Coach For Flora Stage

Contractor Applegate Makes Innovation—North End News From Journal.

Flora, May 5.—The infant son of Mr. and Mrs. John Holloway died last night. Funeral from the Methodist church today.

After over 20 years of staging the mail service between here and the valley is to be equipped with an up-to-date, six horse stage coach. This innovation by Mr. Applegate, the sub-contractor, is one that will be appreciated by the traveling public.

The Troy school closed last Friday. Mrs. P. E. Knapp has had a very successful school and both she and Mr. Knapp will be missed in that community, they having returned to their homestead up the river.

Albert Baker of Eden is back in the woods again as forest ranger.

A Catholic priest visited the North End this week. He held services at the home of Wm. Fournier, on Lost Prairie. Several persons were baptized after the services.

Mr. and Mrs. Harry Dorse of The Point on Day Ridge are preparing for an extended Eastern visit, and will go by the way of Montana to see their daughter, Mrs. Fred Knapp. Gentle showers have caused smiles on farmers faces. Old timers say enough moisture has already fallen to insure bumper crops.

NEWSPAPERS TO MOVE.

The Enterprise Press has leased the Samms building on West First Street, one-half block south of the Wallowa National bank, and the News-Record and Chief-Tain newspapers plant and job department will be moved into the new quarters as soon as the remodeling and repair of the building is completed, possibly the latter part of this week.

QUARANTINE LIFTED.

The U. S. Department of Agriculture has declared Western Oregon sheep now free of scabies and the quarantine lifted under date of April 18.

A CASE OF SUSPENSION SCORES A DECIDED HIT.

The Senior class play, "A Case of Suspension," presented in Assembly hall Tuesday night, was a great success. The comedietta while short was interesting and was finely acted, and the hall was filled.

Everyone was perfect in his or her part, and native talent was improved by careful training. The plot by which the sedate member of the college faculty (Fred Holmes) and the strict matron of the seminary (Grace McCubbin) were induced to join in the social festivities planned by the young ladies of the seminary (Jennie Mitchell, Lora Kooch, Janet Willgerodt and Elsie Varner) for the entertainment of the college boys (Aaron Olmsted, Asa Craig and Archie Miller) was simple but very funny and was well acted. The parts of Kathleen, a Celtic maiden (Eva Falconer), and Jonas the "seminary man" (Irl Olmsted) were also well taken, and on the whole the entertainment was a first class amateur performance and a credit to all who took part.

The Elgin game was a comedy of errors, the home team making 11 errors and La Grande 10. La Grande made 7 hits and Elgin 5. The score was 8 to 4.

LA GRANDE LEADS E. O. L.

La Grande won from Elgin Sunday and now leads the Eastern Oregon baseball league with a clean score of 3 games won and none lost. Elgin is second, having won two and lost one. Baker is third by virtue of a victory over Union, Sunday.

The Elgin game was a comedy of errors, the home team making 11 errors and La Grande 10. La Grande made 7 hits and Elgin 5. The score was 8 to 4.

Weather Vagaries Hurt Not Gardens

Vegetation Fresh and Green At Elk Mountain—Young Stock Thriving.

Elk Mountain, May 9.—W. E. Keltner of Enterprise was out to see Wilbur Nicholson, Sunday.

Mr. and Mrs. J. C. McFetridge were visiting Mr. and Mrs. Geo. Wagner, Sunday.

Jessie Daugherty and Miss Grace Warnock went to Joseph Saturday and took in the track meet, returning Sunday.

Roy Stubblefield passed here Friday on his way out from Snake river where he had been employed with Colonel Graves.

Elmer McFetridge spent Sunday at the home of Polk Mays.

Frost, sleet, rain, snow and ice—all were to be seen here yesterday, but garden vegetation looks fresh and green this morning.

Young calves lying lazily in the good warm sun in the lot, bands of young lambs playing merrily upon the fresh grass-covered hills, and young colts prancing proudly by their dam's side in the fields—all these add comfort and pleasure to the ranches around Elk Mountain.

Jack Pomeroy left here, Sunday, bound for Enterprise.

Grain sowed this spring is coming up nicely.

Fear of the Tree.

The first experiments at tree planting in London were sternly discouraged. A. D. Webster tells us in Town Planting that when Loudon built his house in Porchester terrace, Bayswater—this was in the thirties—he planted a sunag by the side of the path opposite. The action was met by prompt and triumphant opposition on the part of the district surveyor, whose complaint was that it was "likely to shade the pathway and keep it damp." In the end the tree had to go.

Proper Chills.

"I've had cold chills running over me all day," the thin man complained. "You ought to be glad of that," said his heartless friend. "I don't think I understand you. Why should I be glad?" "Oh, well, you know, it is quite an ordinary thing to have cold chills. There's no cause for alarm. Just think what an extraordinary thing it would be if you should have hot chills running over you."—New York Press.

TRACK MEET WON BY COUNTY HIGH

BIG MARGIN OVER ALL THREE COMPETITORS—EUGENE AND CORVALLIS FOURS.

The County High school won the track meet at Joseph, Saturday, by a big margin of points over all the three other competitors, Joseph, Lostine and Wallowa. The County High won a total of 50 1/2 points, Joseph 39 1/2, Lostine 1, Wallowa 0.

There was a large crowd present to witness the events, and everything went off fairly well. There was some little dissatisfaction with the rulings, but probably no more than is the case at all meets. The judges were Dr. Erwin and Dr. Cummins of Joseph and R. H. Jonas of Wallowa.

The spectacular events of the day were the mile, half mile and 220 yard runs, and the broad jumping by Brines, Ault and French in the long runs, Howard Shutt, Read and Dill in the dashes, Brines in the jumps were the bright particular stars. Howard Shutt of Joseph made a great individual record, equaling that of Read at the meet in this city a year ago. W. C. H. S. sprinters were handicapped by the starter giving a signal word just before firing.

The winners of each event scored four points, second two points and third one point. Following are the results and time:

50 yards dash—Howard Shutt of Joseph won, Read of County High second, Dill of County High and Cole of Joseph third. Time 6 seconds.

100 yards dash—Howard Shutt first, Read second, Dill third. Time 11 seconds.

220 yards dash—Read first, Dill second and Howard Shutt third. Time 24 3/5 seconds.

440 yards—Ault, County High, 1st; French, County High, second; Harold Shutt, Joseph, third. Time 59 seconds.

One-half mile—Ault first, French second, Bright of Lostine third. Time 2:15.

Mile—Ault first, French second, and Skaggs third—all County High. Time 5:18.

Hammer throw—Vest of Joseph first, Olmsted and Emmons of County High, second and third. Distance 115 feet.

Shot put—Howard Shutt first, Emmons second, Vest third. 35 feet.

High jump—Brines of County High first, Vest second, Cramer of County High third. 5 feet 4 inches.

Broad jump—Brines first, Read second, Cole third. 20 feet 1 inch.

Discus throw—Howard Shutt first, Vest second, French third. 135 feet.

Pole vault—Vest first, McAdams and Haney of County High, second and third. 9 feet 10 inches.

Low hurdles—Cole first, Vest second, Howard Shutt third, 29 1/2 seconds.

Four representatives of the County high school left Wednesday for Eugene to enter the state track meet of high schools to be held there Friday. Read, Brines, Ault and Irl Olmsted are the four who will battle in the honor of the garnet and gray. The cracks of the big high schools of the state will be there, and if the boys make one showing they will have covered themselves with glory.

Read will enter 100, 220 and 440 yard runs, and probably the running broad jump, Brines the running broad and running high jumps, Olmsted the hammer throw, Ault the 440 yard, half-mile and mile runs.

The boys will be accompanied by S. L. Burnaugh, Jr., who will look after their interests, and you bet Louie as an old track man and one of the greatest football players ever turned out at O. A. C., knows the ropes. The boys will return home from Eugene, but Mr. Burnaugh will go to Corvallis and meet the four sent there next week from the County High. That team will probably consist of French, Skaggs, Dill and McAdams.

La Grande Second. At a high school track meet held at Ontario, Saturday, Baker won first place with 50 points, La Grande second with 36 points, Ontario third 24 points and Cove fourth 21 points.
