Is there anything in all this world that is of more importance to you than good digestion? Food must be eaten to sustain life and must be digested and converted into blood. When the digestion fails the whole body suffers. Chamberlain's Tablets are a rational and reliable cure for indigestion. They increase the flow of bile, purify the blood, strengthen and tone up the whole digestive apparatus to a natural and healthy action. For sale by all dealers.

PUBLIC WRITING DESK.

The public writing counter for the sheriff's office has at last arrived and been placed in position. It is a fine piece of furniture in keeping with the rest and gives a moneyed-like air to the room, all same as Wall street bank.

Saved Many From Death.

W. L. Mock, of Mock, Ark., believes he has saved many lives in his 25 years experience in the drug business. "What I like to do," he writes, "is to recommend Dr. King's New Discovery for weak, sore lungs, hard colds, hoarseness, obstinate coughs, la grippe, croup, asthma or other bronchial affection, for I feel sure that a number of my neighbors are alive and well today because they took my advice to use it. I honestly believe it's the best throat and lung medicine that's made." Easy to prove he's right. Get a trial bottle free, or regular 50c or \$1.00 bottle. Guaranteed by all druggists.
