### Surprises Many in Falls City

The quick action of simple buckthorn bark, glycerine, etc., as mixed in Adler-i-ka, the remedy which became famous by curing appendicitis, is surprising Falls City people. Many have found that this simple remedy drains so much foul matter from the system that A SINGLE DOSE relieves constipation, sour stomach and gas on the stomach almost IMMEDIATELY. Adler-i-ka is the most thorough bowel cleanser ever sold. M. L. Thompson, druggist.

## Red "D" Logging Shoes

Asking if the Red "Ds" are reliable

I will say that out of the 72 pairs which I have sold this winter, there has only been two complaints—one pair the customer burnt, and one shoe of the other pair had a defective heel—and in both cases I gave customers new shoes in exchange for the others. You don't take any chances when you buy Red "D" Loggers, for every pair is guaranteed by the factory and I stand back of this guaranty. If you burn your shoes or misuse them, you are the loser, and any shoe that goes wrong by the customer's fault will not be replaced. Any one that appreciates good shoes should try RED "D" LOGGERS.
