

## World Noted Sculptors Produce Marvels In the Plastic Art

Copyright, 1913, by the Panama-Pacific International Exposition Co.

### A MARVELOUS SETTING FOR SCULPTURE AT THE PANAMA-PACIFIC INTERNATIONAL EXPOSITION, 1915.

THE dominating architectural feature of the exposition, the superb "Tower of Jewels," which will command the south entrance of the Court of Sun and Stars at the Panama-Pacific International Exposition in San Francisco in 1915. This tower, 430 feet in height, will have a base one acre in extent. The tower will rise upward in terraces, giving way at last to a group of figures supporting a globe, terrifying the world. The repeated figures of armored horsemen and of explorers of the ocean will be used on the tower, which, with its statuary, mural paintings and mosaics, will be indescribably beautiful. Messrs. Carrete & Hastings, architects in chief of the Pan-American Exposition at Buffalo in 1901, are the architects.

### SUPERB STATUARY FOR PANAMA-PACIFIC INTERNATIONAL EXPOSITION, SAN FRANCISCO, 1915.

THE illustration above shows some of the colossal works of sculpture to be set in the vast courts of the Panama-Pacific International Exposition at San Francisco in 1915. At the left are figures of a Tibetan Lama and an Arab Sheik which will be in the group "Nations of the East," over the Arch of the Rising Sun in the Court of the Sun and Stars; next is "Sunshine," and at the right is "Rain." A. Jaeger, Furio Piccirilli and A. Stirling Calder are the sculptors.

Manufacturers and Homeseekers who want to know the facts concerning Falls City and its possibilities for future development are requested to read the information given in these two columns. For further and more particular information, address The News.

#### The Name

The city derives its name from the falls of the Little Luckiamute River, which flows through the city from the West. The first sale of town lots occurred in 1889, though donation land-claim settlers came here many years before that date. In 1900 the population was 269; in 1910, 969; 1913, about 1,200.

#### The Location

Falls City is situated near the geographical center of Polk Co., Oregon, in township 8 south, range 6 west of the Willamette meridian, 27 rail miles southwest of Salem, and 73 rail miles southwest of Portland, in the narrow western end of the Little Luckiamute River valley, surrounded on the north, south, and west by the foothills of the Coast Range mountains. Elevation, 386.38 ft above sea level. Transportation—Salem, Falls City & Western Railroad, which extends from Salem to Black Rock, a rail distance of 30 miles. A new bridge across the Willamette River completed Mar. 15, 1913, gives this city direct connection with the S. P. main line and O. E. roads at Salem, north and south.

Falls City is incorporated as a city, contains about 800 acres, valuation of property \$800,000. The city administration is composed of mayor, seven councilmen, auditor and police judge, marshal, treasurer, engineer, health officer. Salaries: Marshal and water superintendent, \$60; auditor, \$25.

#### Water and Wood

The city of Falls City owns the gravity water system. Its first cost was \$25,000. Pure mountain water is piped from springs on Judge Teal's ranch, 3 miles away, at an elevation of about 300 feet above city level. Oak and fir firewood is plentiful and cheap.

#### Lumber and Fruit

Electric power planing and saw mill, log pond, dry kiln and lumber yard in the city, lumber flume, logging roads and logging outfits, all owned and operated by the Falls City Lumber Co. The surrounding bench and hill lands are as well adapted to the production of fruits and berries as any other section of the Pacific Northwest, and development on these lines is going on. Potato growing is also becoming quite an extensive industry.

#### Schools, Churches, Societies, Clubs

The Falls City school has a 12-grade school with a full 4-year high school course, with principal, assistant principal and seven grade teachers. The Religious organizations are: Adventist, Catholic, Christian, Free Methodist, Methodist Episcopal, German Lutheran. The Fraternal societies: Ind. Order of Oddfellows, Rebekahs, Masons, Knights of Pythias, Pythian Sisters, Modern Woodmen of America, Royal Neighbors of America, Woodmen of the World, Women of Woodcraft. Free reading room. Gem theatre, photoplay. Hydro-electric light generated by the power of the falls; owned by W. E. Newsom; H. C. Brown, manager. Telephone system, with L.-d. connections. C. J. Pugh, local manager. Greater Falls City Commercial Club, G. C. Mahr President.
