Surprises Many in Falls City

The quick action of simple buckthorn bark, glycerine, etc., as mixed in Adler-i-ka, the remedy which became famous by curing appendicitis, is surprising Falls City people. Many have found that this simple remedy drains so much foul matter from the system that a single dose relieves constipation, sour stomach and gas on the stomach almost IMMEDIATELY. Adler-i-ka is the most thorough bowel cleanser ever sold. M. L. Thompson, druggist.

We will give One Hundred Dollars for any case of Adler-i-ka that is cured by Adler-i-ka.

Send for circulars free.

Take Hall's Family Pills for constipation.
