It is reported to The News that Warren Cobb and Harry Taylor returned Thursday from a weekend visit to relatives and friends in Skagway, Alaska. Their many friends extend them a hearty welcome back to Falls City. The show at the Gem, last Saturday night was something more than an entertainment. It was a wordless illustrated temperance lecture designed to teach the continuing effects of intemperance, even to the third generation. R. V. Allyn, manager for Madeline Thornton the clever little favorite with the Falls City theatre-going public, was in town yesterday, arranging for their return engagement. Miss Thornton will produce "Paid in Full," and "His Daughter's Wedding," May 15th and 16th. W. J. Southwell and A. C. Wigle of Nortons, Lincoln county, came over to Falls City on horseback, Tuesday, and returned home Wednesday. Mr. Southwell had not been in Falls City for a long time, and he was agreeably surprised at the improved appearance of the town.

N. W. Crandell, the laundryman, closed up his business here, Wednesday, and moved to Woodburn, where he will engage in the laundry and soap making business. Falls City never had, nor never will have a better laundry than was conducted by Mr. and Mrs. Crandell. The News gives them the best kind of recommendations to their new neighbors and customers, and wishes them success in their new field.

School Board Meeting
 The school board, at its meeting last Wednesday evening, elected Prof. E. M. Haley, of Airlie, as principal, and Miss Ida Mack and Miss Leto Wolverton to the two vacancies in the list of grade teachers. Two high school teachers are yet to be elected. About 40 teachers made application for the 11 positions, which proves that the Falls City school is becoming more popular with the teachers, year by year. The school board is to be congratulated for its successful solution of the difficult problem of selecting teachers. As the matter now stands, Falls City will have another year of most successful school work. Prof. Barnhart was a most acceptable principal, but he wanted more salary for another term than the board decided they could pay. His excellent record here for two terms will be of decided advantage to him in seeking a new field.

The public school is coming to be the common center around which the social and entertainment activities of a community will be grouped. Why not help along with the good work by encouraging the erection of a building on our school property for use as a gymnasium, and for manual training and domestic science classes, and also for use for public meetings and conferences relating to community affairs?

The Linnton Leader is rejoicing over the prospect of a scenic highway to Portland along the crest of the hills, at an elevation of 600 feet. This highway has been the dream of more than one Linntonite for many years. **An Unimportant Detail.** "I am very sorry, madam," said the Berlin servant maid of whom a German paper tells, "but I must leave you next week. You see, I am going to be married." "Really, Emma! Who is the lucky man?" "He is the policeman on this beat." "Well, I wish you luck. What is his name?" "Oh, I don't know that. His number is 417."

Fontenelle and Coffee.
 A physician who attended Fontenelle once found him drinking coffee. "My good sir," said this sage descendant of Galen, "I am astonished to see you swallowing the infusion of that pernicious berry. Coffee is a slow poison!" "I think," said Fontenelle, "it must be slow, for I have drunk it with great perseverance for more than forty years."

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only Constitutional cure on the market. It is taken internally in doses from 10 drops to a tea-spoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, O. Sold by Druggists, Etc. Take Hall's Family Pills for constipation. More Falls City news on page 2.
