erty for which you have no use,
advertise it for sale or exchange.

want. A fair exchange is no rob-

well as yourself.

The school board has elected W.
B. McKown as janitor for another
year. No other janitor has ever
given such valuable and faithful
service as Mr. McKown. The work
has been greatly increased during
the past year. Close attention and
hard work are necessary to keep
the building in proper condition.
Mr. McKown has done this, and
in addition has given careful at-
tention to the moral cleanliness
of the school surroundings during
play hours. He is the right man
in the right place. No higher praise
can be given any man.

By Auto to Independence

M. L. Thompson, Hal Thompson,
Linus Cook, C. W. Lee and D. L.
Wood made an afternoon trip to
Lewisville, Monmouth, Indepen-
dence and Dallas, in Mr. Thomp-
son's new Cadillac auto, Wednes-
day. A stop was made at the home
of Mr. and Mrs. A. F. Courter near
Monmouth, to say hello. The 40-
mile trip was made in four hours,
the actual running time being two
and a half hours.
The roads are of various kinds,
and in ever-changing conditions.
There are dirt, gravel, and crushed
rock roads; rough, smooth, dusty,
hard, crooked, straight, steep and
level roads. For some unknown
reason the roads are better the
farther one travels from Falls City.

Surprises Many in Falls City

The quick action of simple buck-
thorn bark, glycerine, etc., as mixed
in Adler-ika, the remedy which
became famous by curing appendi-
citis, is surprising Falls City people.
Many have found that this simple
remedy drains so much foul matter
from the system that a SINGLE DOSE
relieves constipation, sour stomach
and gas on the stomach almost
IMMEDIATELY. Adler-ika is the
most thorough bowel cleanser ever
sold. M. L. Thompson, druggist.

Road work was in progress in spots
along the route traveled.
Independence is a substantial
looking little city, with good streets
and sidewalks in the business dis-
trict.
Mr. Clarke of the Enterprise
gave us a friendly greeting and
showed us around in his nicely
equipped office. At the Monitor
office we met Mr. Ecker and Mr.
D. C. Boyd, the new owners, also
Mrs. Ecker and Mrs. Richardson,
their efficient assistants. The Mon-
itor is not very old, but is doing
quite well for a youngster. All the
printers were invited to visit Falls
City and see for themselves what a
beautiful place it is.
The journey was made in com-
fort, without accident. Mr. Thomp-
son has the largest and best auto
in Falls City, and he is a very
careful and skillful driver.
Why Work all Day Sunday
When you can get a fine chicken
dinner at the Madena restaurant for
25c, or 50c, and nothing to do but
eat and enjoy being alive? Try it.
The Fishermen
Col. Matthews, Chas. Mix, R. J.
Hall, and Oliver Roe, last Tuesday,
went to the Big Luckiamute Tues-
day, on a fishing trip, returning
Wednesday. They took enough
fishing tackle and bait to catch a
carload of fish.
It is reported that Colonel caught
a one-ounce waterdog; that Mr.
Mix caught an 84-pound halibut;
that Hall, and Roe claim to have
caught 600 pounds of mountain
trout. But the report is not true.
They actually caught 98765 fish of
a size that, if they were placed side
by side, would make a layer of fish
from Oregon to Idaho.
A large gun, (.22), was used to
shoot bears and cougars.
Carpet and Rug Weaving
Also hair switches made from Comb-
ings. Phone 314. Mrs. C. E. Gibson.
Birthday Party
A lawn party was given at the
home of Mr. and Mrs. Wm. Ellis,
last Saturday, in honor of the sev-
enth birthday anniversary of their
granddaughter Carolyn Ellis. The
ten children in attendance enjoyed
themselves with games and other
pastimes.
A fine lunch of ice cream, cake
and oranges helped to make the
occasion more enjoyable.
The children present were:
Carolyn Ellis, Vera Robinson,
Margaret Sportman, Gladys Mur-
phy, Irene Bowman, Bernice and
Frances Beezley, Gladys and Helen
Hall, Anna Persey.

**There is more Catarah in this section of
the country than all other diseases put
together, and until the last few years
was supposed to be incurable. For a great
many years doctors pronounced it a local
disease and prescribed local remedies, and
by constantly failing to cure with local
treatment, pronounced it incurable. Sci-
ence has proven Catarah to be a constitu-
tional disease, and therefore requires
constitutional treatment. Hall's Catarah
Cure, manufactured by F. J. Cheney &
Co., Toledo, Ohio, is the only Constitu-
tional cure on the market. It is taken in-
ternally in doses from 10 drops to a tea-
spoonful. It acts directly on the blood
and mucous surfaces of the system. They
offer one hundred dollars for any case it
fails to cure. Send for circulars and tes-
timonials.
Address: F. J. CHENEY & CO., Toledo, O.
Sold by Druggists, 75c.
