For Neuralgia, nothing is better than

Dr. Miles' Anti-Pain Pills

Used by thousands for a generation

Those who have suffered from neuralgic pains need not be told how necessary it is to secure relief. The easiest way out of neuralgia is to use Dr. Miles' Anti-Pain Pills. They have relieved sufferers for so many years that they have become a household necessity.

"I have taken Dr. Miles' Anti-Pain Pills for five years and they are the only thing that does me any good. They have relieved neuralgia in my head in fifteen minutes. I have also taken them for rheumatism, headache, pains in the breast, toothache, earache and pains in the bowels and limbs. I have found nothing to equal them and they are all that is claimed for them."
