## DIES SUDDENLY

Saturday morning at 5:30, Lyle the two year-old son of Mr. and Mrs. L. L. Brooks died after a brief illness. The funeral services were conducted by A. H. Dodd at the home Monday morning and interment in the I. O. O. F. Cemetery.

Lyle was the youngest child and his death was a great shock to the family and friends. Friday morning he appeared as well as usual, but about 9 o'clock he was taken ill and grew steadily worse until the end came. All that loving hands and medical skill could do was done, but of no avail, the seal of death was set upon him and he passed to the Great Beyond that passes human understanding, yet look forward to with the sublime hope that we shall meet again in a land where there shall be no more sorrow or parting. We extend our sympathy to the sorrowing parents.

## Guard Your Children Against Bowel Trouble

Many children at an early age become constipated, and frequently serious consequences result. Not being able to realize his own condition, a child's bowels should be constantly watched, and a gentle laxative given when necessary. Dr. Miles' Laxative Tablets are especially well adapted to women and children. The Sisters of Christian Charity, 531 Charles St., Luzerne, Pa., who attend many cases of sickness say of them:

"Some time ago we began using Dr. Miles' Laxative Tablets and find that we like them very much. Their action is excellent and we are grateful for having been made acquainted with them. We have had good results in every case and the Sisters are very much pleased."

The form and flavor of any medicine is very important, no matter who is to take it. The taste and appearance are especially important when children are concerned. All parents know how hard it is to give the average child "medicine," even though the taste is partially disguised. In using Dr. Miles' Laxative Tablets, however, this difficulty is overcome. The shape of the tablets, their appearance and candy-like taste at once appeal to any child, with the result that they are taken without objection.

The rich chocolate flavor and absence of other taste, make Dr. Miles' Laxative Tablets the ideal remedy for children.

If the first box fails to benefit, the price is returned. Ask your druggist. A box of 25 doses costs only 25 cents. Never sold in bulk.
