SELIG'S! SELIG'S! SELIG'S!

You Can Buy Your Fall Requirements as Cheaply at Selig's as Elsewhere.

With an unsettled business condition and prices tending upwards we believe you will do well to make your purchases early. Our stocks are now practically complete and the larger part were bought early last spring when prices were at lowest. We never had a larger or more varied line of Woolen Dress Goods—36-inch Serges and Crepes sold nearly everywhere at 60c a yard. We have marked to sell at 50c as long as present stock lasts.

Large Stock Outing Flannel

Even a heavier, better grade than you usually get, marked 10-cents a yard.

Blankets Are High

But with us the price is even lower than last year. Present stock will not last a great while. Get yours now at no raise.

Overalls

A heavy full cut bib overall that usually costs you \$1. We have marked and will sell until forced to raise for 90c.

Flour

There seems no question but we will see very high prices on flour before another season. We recently purchased a car and offer for a short time

**Olympic \$1.60 per sack or \$6.15 per barrel
Bluestem \$1.50 per sack or \$5.75 per barrel
White Rose \$1.35 per sack or \$5.20 per barrel**

Remember we absolutely guarantee our flour. All our flour now in stock was made out of the old wheat.

Yours for business,

SELIG.
