The Teacher's Institute

The Teacher's Institute held at
Independence Saturday February
27th was one of the best ever
held in the county and also well
attended. The professional spirit
of the teacher was excellent,
many teachers coming from
across the county and having to
start the night before in order to
make the trip. All of them ex-
pressed themselves as well pleas-
ed with the meeting and said
that they had derived much good
from it. The professional teacher,
and the teacher who has her
work at heart, always gets much
from a county institute.
