Finds Cure for Epilepsy After Years of Suffering
 "My daughter was afflicted with epileptic fits for three years, the attacks coming every few weeks. We employed several doctors but they did her no good. About a year ago we heard of Dr. Miles' Nervine, and it certainly has proved a blessing to our little girl. She is now apparently cured and is enjoying the best of health. It is over a year since she has had a fit. We cannot speak too highly of Dr. Miles' Nervine."
MRS. FRANK ANDERSON,
 Comfrey, Minn.
 Thousands of children in the United States who are suffering from attacks of epilepsy are a burden and sorrow to their parents, who would give anything to restore health to the sufferers.
Dr. Miles' Nervine
 is one of the best remedies known for this affliction. It has proven beneficial in thousands of cases and those who have used it have the greatest faith in it. It is not a "cure-all," but a reliable remedy for nervous diseases. You need not hesitate to give it a trial.
 Sold by all Druggists. If the first bottle fails to benefit your money is returned.

MADE GOOD
 The Christian Bulletin of Dallas has the following to say of B. L. Hicks, Pastor of the Christian church of this city who preached for Evangelist Van Winkle who was called away:
 "Our disappointment in the loss of Brother Van Winkle was greatly relieved by the presence of Brother Hicks, pastor of our work at Falls City, who kindly consented to attempt that most difficult task of carrying on the work of another popular man.
 We want to say for Brother Hicks that he is a man of large ability and experience and rose to the situation, by no means lowering the standard set by our evangelist, Brother Van Winkle. We were all glad to extend our acquaintance with Brother Hicks and to hear his two strong sermons. We want to thank him for his kind and helpful service and congratulate the Falls City church in having so strong a man to stand in their pulpit and lead them in their work. We are hearing good reports from that field and are predicting greater things to come."
