

## RELIGIO-SCIENTIFIC SKETCHES ON HUMAN PROGRESS

### GOD'S GLORY IN THE HEAVENS

"The reverence of Jehovah is the beginning of wisdom." Only the foolish say in their heart, "There is no God." "Day unto day uttereth speech, and night unto night showeth knowledge." "The heavens declare the glory of God."—Psalms 111:10; 14:1; 19:1, 2.

An appreciation of the infinite Power of the Creator and of our own littleness should make us teachable. The study of Creation is the "Key of Knowledge." Using this Key we begin to realize that the only worthy ambition is to co-operate with our Creator's beneficent designs respecting His Creation.

The planets of our System compared with our Sun are as nothing. Imagine the Sun's diameter that of a large flour barrel: Jupiter would compare as a small orange, Earth and Venus as peas, and Mercury and Mars as raspberry seeds.

The Sun is three hundred thousand times the size of our Earth. A train at thirty miles an hour could go around the Earth in one month, but nearly ten years would be required for it to travel the circumference of the Sun.

Our day and night are the result of the Earth's rotation on its own axis, while its motion around the Sun marks our year. Planets nearer the Sun have shorter orbits, and hence, shorter years, while remote ones have longer years. A year on the planet Mercury would equal three of our months. On Neptune, farthest off, a year equals 164 of Earth's years.

Yet our Sun is only one of the fixed stars, of which the most up-to-date astronomical methods estimate there are one hundred and twenty-five millions. Around each of these fixed stars undoubtedly revolves a planetary System like our own. Thus reckoned, there are one thousand million worlds. Even this is not the limit. If we should stand upon the farthest and dimmest star, we should no doubt from there see as many more beyond. We are appalled at the greatness of the Universe.

The zodiacal signs illustrate various sections of the heavens, visible at different seasons.

### Whole Family Benefited By Wonderful Remedy

There are many little things to annoy us, under present conditions of life. The hurry, hard work, noise and strain all tell on us and tend to provoke nervousness and irritability. We are frequently so worn out we can neither eat, sleep nor work with any comfort. We are out of line with ourselves and others as well.

A good thing to do under such circumstances is to take something like

### Dr. Miles' Anti-Pain Pills

to relieve the strain on the nerves. Mrs. J. B. Hartsfield, 82 Plum St., Atlanta Ga., writes:

"I have on several occasions been vastly relieved by the use of your medicines, especially the Anti-Pain Pills, which I keep constantly on hand for the use of myself, husband and two sons. Nothing in the world equals them as a headache remedy. Often I am enabled by the use of one or two of the Pills to continue my housework when otherwise I would be in bed. My husband joins me in my praise of the Anti-Pain Pills and Nervine."

## USE PRINTED STATIONERY

If you do not want separate stationery for each member of the family, at least you should have the name of the head of your family on it.

If it is a private letter the printing heading could be just your name and below it the name of your town, thus:

James W. Andrews  
Bath, Mo.

Then all members of the family could use it for their private correspondence.

The cost is no greater than you are continually paying for stationery when you buy it in small lots.

We make you low prices on lots of 250, 500 or 1000, with envelopes to match, and also printed.

You can have it either plain or fancy, and in single sheets or the fashionable fold, as you desire.

### HERE'S THE WHY OF IT:

Fashion is inexorable in its decrees, and fashion has decreed that you have your name and postoffice address neatly printed on your stationery.

This does not apply alone to the business or professional man, but to every man and woman—or young man and young woman—who writes a letter.

Of course not every person obeys the dictates of fashion, but to be considered up-to-date you should do so.

It is but question of time when your printed stationery will be as much a part of your personal equipment as your hat or your tie.

It is better to lead than follow, for the being of a leader indicates that you have both character and initiative.

Neatly printed stationery is an assurance that your name will be correctly spelled, that there will be no mistake in your postoffice address, and that your mail will be returned to you in the event of its non-delivery.

Strangers to whom you may be writing will not be required to puzzle over your signature, or your address, and errors will be few.
