Some of the taxpayers, writing to the Itemizer, object to school boards employing married women as teachers when they have husbands able to support them. In some states married women must show that her husband is not able or refuses to support her before they can be employed to teach.

The Democratic papers are worrying a great deal because the Republicans can not agree on a candidate for president. It's too bad that these poor fellows should be made to grieve so. The Republicans should agree in order that these overworked Democratic editors may be relieved.

### SURPRISE PARTY.

On Thursday, May 25, a surprise party was given in honor of Mrs. H. M. Morris sixty-second birthday at the home of Mrs. Harry Taylor.

A few friends and relatives of Mrs. Morris and Mrs. Taylor arrived about 11 o'clock with well filled baskets. Dinner was served about 12:30. The evening was spent in pleasant conversation.

Those present: Mrs. J. S. S. Powell and grandchildren, Mrs. Geo. Tice, Mrs. G. W. Haptonstall, Mrs. Ed Sampson, Mrs. M. Deal and little daughter, Mrs. W. Lee Young and children, Mrs. S. W. Wingo, Mrs. J. Wright and children, Mrs. W. C. Powell and son, 8:15 P. M. Mrs. Walt Tice and son, Mrs. B. L Ellis and sister, Miss Ethel Sampson, Miss Beulah Young. There were thirty present.

MRS. S. L. YOUNG, 324 Pittsburg St., Newcastle, Penn

nal Defense and nternational Peace

Are You Ready to Play Your Part?

THE power of a nation in time of need is the producing power of her it dustries.

America must find out what this producing power is and then develop it. The capacity of every plant must be gauged. The ability of every man must be known. For War is Mechanical. It is Flectrical. It is Chemical. It is Mining, Manufacturing, Trairsportation. It is EVERY

phase of Engineery in fused into a single industry—
"THE NATION'S DEFENSE."

Thirty thouse id Engineers today are without pay. They are making a survey of YOUR COUNTRY'S Industrial Resources. They are helping YOUR (COUNTRY'S Industrial Resources). So that it is a country to find ITSELF—and You'R ARMIES in the field will be but the crest of a Wave of Industry, is wide as the American Continent and That YOUR COUNTRY may know the Associated Advertising Clubs of the Work I have pledged their services to the President of the United States. And this by this paper, is part of a nation-wide series to secure YOUR co-operation with the Engineers.

"WHAT CAN I DO?"

This is, doubtless, the question you are to taking yourself. Here is the

This is, doubtless, the question you are a usking yourself. Here is the answer: If you are a manufacturer co-oper and fully with the Engineers, so they can do their job quickly and efficientilly: if you are a working man help your employer to help the Engineers and be prepared, if so needed, to be a Soldier in Industry, behind the firing line; a soldier on the firing line; if you are a but incess man or a professional man, or whoever you are, help mobilize "GOC D WILL" behind this patriotic task of the Engineers in behalf of National Defet we and International Peace.
