**Beware of Ointments for Catarrh That Contain Mercury**  
as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.

Sold by Druggists. Price 75c per bottle. Take Hall's Family Pills for constipation.

### WHERE WILL IT END?

The bomb explosion at Frisco, the destruction of 19 warehouses containing ammunition in New York is a stern reminder that the public is practically at the mercy of the lawless element. Bomb-throwing is not of American origin, neither will the execution of a few half-baked bomb-throwers cure the evil. Better investigate and find the cause. Rigid immigration laws would probably have prevented much trouble in the past as well as the future.

I have for immediate sale two good 320 acre homestead relinquishments just east of the mountains one in Lake county and one in Jefferson county handy to towns, etc both partly improved and are good places. Price \$500 each good terms if desired. Also all kinds of property to sell, rent or trade.

### Dry and Moist Air.

A cubic foot of dry air weighs more than a cubic foot of moist air at the same temperature and pressure. The addition of vapor to a cubic foot of dry air enlarges the volume of the mixture if the air is free to expand, as in the atmosphere, and as the vapor has only about two-thirds the density of dry air at the same temperature and pressure the density of the mixture is less than that of dry air.
