The city council are still setting up with the Boy Scout building. Last Monday night a bill of \$56.15 for giving the building one coat of paint and hanging the paper, was presented. As the bill was for labor alone vision of the high cost of living passed riotously by and the bill was placed in cold storage. The bill of \$45 for oiling the "intersections in front of the business houses" on North Main street was presented again for payment. It was difficult to understand just how an "intersection" could crawl up in front of the business houses. A well behaved intersection after the 12 feet is taken out of the center is a little three-cornered plot of ground, a little larger than a tailor's goose and there are four to each street crossing. According to the way South Main street was lubricated it would actually have required three pints to do the job. The council held up the bill.

DEMOCRATS REJOICE

The Democrats have been deriving much comfort from reports of straw votes giving Wilson overwhelming majorities, and are trying to make themselves believe that they believe it.

A little research into the records would prick their little soap-bubble and lay waste air-castles.

At the Presidential election in 1912, Wilson polled 47,064 votes; the Republicans and Progressives combined, 72,273 making a total vote of 120,337. At the Primary in 1916 the vote for Wilson had dropped down to 27,558 and the Republican vote was 94,815, a total vote of 122,713, a gain of 2,376 since 1912 in the total vote.

At the Presidential election in 1908 in the United States the Republican vote was 7,677,544; the Democratic vote 6,405,707. In 1912 the Democratic vote was 6,292,570, and the combined vote of Progressives and Republicans was 7,611,050. This shows a loss of 113,037 to the Democrats and 66,494 to the Republicans. No great occasion for the Democrats to become hilarious.

A Republican may wander from the fold and be seen in strange camps but he will rarely tarry long with the Democrats.

QUESTION CRAZE SEIZES THE G. O. P.

Democratic WORLD Long Had Monopoly of This Idiocy, but Opposite Party Is Infected.

STRING OF INTERROGATIONS TO FEASE WILSON IDOLATERS

Questionnaire No. 1.—Will All the Wilson Notes Be at His Notification? How Did Fool Free Trade Hit Your Line of Business Just Before the Battles Began?—When the War Babies Die Will You Weep at the Funeral?

The question habit grows. You may ask a question of any one. Why should the dear old public escape? Here are a few from the New York Sun for the man in the street:

- Do you approve of the rivers and harbors loot?
Do you want four years more of watchful waiting, with the national guardsmen undergoing military training in tropical climate in midsummer?
Do you hold that the duty of the United States is to serve humanity and let its own citizens be killed and outraged?
Do you feel proud of notes with nothing behind them?
What do you think of the Vera Cruz adventure?
Would you like to have been an American soldier at Carrizal?
Do you love Carranza?
Do you believe in a financial regime conducted largely in the interest of one section of the country?
Do you desire to cut the Philippines loose in order that Japan may gobble them?
Do you want four more years of Daniels?
Do you approve of wrecking the diplomatic service to provide jobs for deserving Democrats?
Are you in favor of inflation?
Do you believe in preparedness for a flood of cheap European wares as soon as peace comes?
Have you noticed the significant increase of imports in the past year, despite the war?
How did fool free trade hit your line of business before August, 1914?
And your friends?
Were you all cheered up by the Underwood tariff bill?
Do you think the doubling of the income tax is fair while millions' worth of competitive imports come in free?
Where are you going to be when the war babies die and business slips back to the cold, hard normal basis?
Can you conceive of any possible good to you or to the country from another presidential term like the present one?
Will you perpetuate sectionalism, greed, ignorance, stupidity—general ineptitude in congress?

DENIES ASSAILING MR. HUGHES

Percy Mackaye Writes He Never Saw "Authors' Letter" With His Name Appended.

Percy Mackaye, playwright, whose name appeared as one of the signers of the so-called "authors' letter," published in the newspapers last week, knew nothing about the matter until after publication, according to a statement given out yesterday at Republican national headquarters. The letter attacked Charles E. Hughes' criticism of President Wilson as "non-constructive" and propounded ten questions for Mr. Hughes to answer. In a letter to Mr. Hughes Mr. Mackaye said: "My attention has just been called to an open letter addressed to you, printed in the New York Herald of August 2, signed by a number of professional writers, among whom my name is included. I beg to send you this word, to say that I did not sign the letter and never saw or heard of the letter until it was shown to me in print."

It was stated at Republican headquarters that neither Mr. Hughes nor any of his staff had seen the letter except as it appeared in the newspapers.

POINTS FROM HUGHES' SPEECHES
Reckless extravagance of the Democrats is an insult to the American people.
Deserving Democrats! Deserving in heaven's name of what?
We have a splendid system of government, on paper, but we want that system vitalized.
The pork barrel bill brings a blush of shame to the cheeks of every American.
I am here because I have a vision of what America needs.
An idle American will always feel uncomfortable.
America will not hold her own by high sounding phrases.
Are we not a nation great enough to have sufficient foresight to protect our borders in a sensible fashion by means of a sensible preparedness?
If we state our rights in a firm and determined manner it should carry conviction. There should be no vacillation in connection with that assertion.

Dr. Miles' Heart Treatment is highly recommended.
LIVED IN MISERY.
"I suffered greatly from nervousness and headaches. The least excitement gave me dreadful pain. I began using Dr. Miles' Nervine and a few days later started to take Dr. Miles' Heart Treatment. I soon got so much better that I was encouraged and continued taking the two remedies until I was so well that work was no bother to me at all."
