Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

Again for \$1—While They Last This \$2.50 Aluminum Cooker

The cost of Aluminum has doubled since we ordered these lifetime Cookers. At present prices, this offer would be impossible. So, in all probability, after our supply is exhausted, it cannot be made again.

Next week the grocers of this city will once more feature this Quaker Cooker offer. And for the last time, we believe.

We have supplied Cookers now to over 1,000,000 homes. We have supplied \$2.50 Aluminum Cookers for \$1 to Quaker Oats users. But this offer ends with our present supply, and probably forever. Unless Aluminum drops 50 per cent, we cannot again offer a Cooker like this for \$1.

But next week only we make the offer below. You can get this Cooker for \$1, by buying two of our cereals which should be cooked in it.

This offer is made to induce better cooking. To bring you Quaker Oats and Pettijohn's cooked in perfect form, with the flavor kept intact. Our reward will come in your doubled delight in these foods. But we supply only one to each family.

Unless you have the right flakes, right cooking does not help much. But, if you use Quaker Oats and Pettijohn's, this cooker is yours for \$1. This is for one week only. Get the packages from any grocer named below.

Quaker Oats

The Extra-Delicious Vim-Food
Flaked from Queen Oats Only

All the world over, Quaker Oats holds first place among oat foods. Oat lovers of a hundred nations send to us to get it. A billion dishes are consumed each year. Nowhere in the world do connoisseurs find any oat food to compare with it.

The reason is this: Quaker Oats is made from queen grains only—just the big, plump, luscious oats. No puny, starved grains are included. A bushel of the choicest oats yields only ten pounds of Quaker.

The result is a flavor which has won the world—a flavor which is matchless. Yet these large and luscious flakes cost you no extra price.

Nature stores in oats a wealth of vitality, which everybody needs. We make you to know this fascinating vim-food, made as we make it and cooked in our way.

Pettijohn's

Rolled Wheat with 25% Bran Flakes
A Modern Bran Dainty

Every doctor advises bran, as essential to right living. It is Nature's laxative. Everybody every day should eat it. It means better health, better spirits, sunnier days. Without it, our diet of fine food forces folks to drugs.

Pettijohn's is made to meet doctors' requirements. The bran is hidden in flavory flakes of wheat. The food is a morning dainty which everybody likes. Yet it contains 25 per cent tender bran.

The bran is in flake form, which makes it doubly efficient. Ground bran will not do.

Try Pettijohn's one week. Note its delightful effects. Never again will you go back to a branless diet.

Then try Pettijohn's Flour. It is 75 per cent fine patent flour mixed with 25 per cent bran flakes. Use it like Graham flour in any recipe.
