#### Car License Cards Issued.

Salem-To the 40,000 motor vehicle owners and chauffeurs of Oregon, Secretary of State Olcott has mailed application blanks for registration for the year 1917. A transmittal card with the horsepower of each machine, figured according to the Oregon law, was inclosed with each application, and also a notice requesting owners not to ask for the assignment of any certain number.

"The attempt to accommodate those who have wished for the same number each year, as well as those asking for specified numbers, has proven unsatisfactory and impracticable," said Secretary Olcott, "and therefore requests of this nature will receive no attention this year."

### Polk Road Body Forms.

Dallas - The Polk County Road Builders' association was organized in Dallas recently. The association is composed of three delegates from each of the road districts of the county. Every road district was represented, there being 57 accredited delegates in attendance. A permanent organization was perfected with the object of recommending to the county court each year necessary road improvement and repairs in order that the court may be aided in making up its budget.

#### Phone Line is Proposed.

Bend-A proposal that an effort be made to connect the towns of Bend and Burns by telephone was made at the meeting of the Commercial club here recently by J. E. Weston, manager of the Inter-Mountain Telephone & Telegraph company, of Burns. Weston estimated that the cost of the work would be \$12,000.

The present lines of communication are by way of Baker and Portland. The matter has been taken up by the club's transportation committee.

## for Lack of Freight Cars

Portland - The larger wheat buyers have withdrawn from the market and say they will do no more buying until they can get cars, regardless of whether the market advances or declines. Orders from Eastern mills for wheat are coming along strong, but are being turned down, as there is no immediate prospect of moving the wheat that has already been bought.

It is estimate that not over 20 per cent of the crop has been shipped to date, although the farmers have dis-Sunday school class the lesson for the posed of close to 80 per cent. The remaining 60 per cent has been sold to Eastern millers or to foreigners, but it

In October last year the board sales were 140,000 bushels of wheat and 800 tons of oats, of a total value of \$153,700.

Portland — A strong market for Thanksgiving turkey is predicted by T. G. Farrell, who says:

"We believe that there is an average crop of turkeys this fall, not a very big one, but a good average crop. Conditions are pretty good, met are pretty well employed, and prices on all commodities are high. We, theref ore, predict that there will be a very fine price for fancy dressed turkeys, ge ese and ducks for the Thanksgiving trade. There have been a few marketed already for early shipment to remote points, Alaska, Manila, etc. They were good and sold well, 27@271c.
