

**GETTING WHAT PEOPLE WANT**

We carry most of the things that you want, but if you want anything that we do not carry, we'll get it for you as quick as anybody else can. We haven't a very large stock, but we try to know the needs of the people that we sell to. We succeed pretty well in supplying them. Now and then, however, there is a demand for something that we do not carry.

We want you to bring your special needs to us, and we will get the goods. "If we haven't got it, we will get it for you." That's our motto, and we succeed pretty well in carrying it out.

**An English Turf Custom.**  
A curious usage of the English turf is one which ordains that, when once worn, the cap and jacket representing a patron's "colors" become the property of the jockey. If, as frequently happens, the owner wishes to retain them as a memento of a successful race, he must buy them from the employee to whom perhaps he gave them but an hour or two before.

The editor of the Itemizer neglects to state that these five were from within the city limits and not from the rural routes. There are people living within a few rods of the city limits of Falls City getting their mail from the routes running out of Dallas, consequently they are claimed as citizens of that burg.

**Deafness Cannot Be Cured**

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENNEY, & CO., Toledo, Ohio. Sold by Druggists, etc. Take Hall's Family Pills for constipation.
