There is more Catarrh in this section of
the country than all other diseases put
together, and until the last few years
was supposed to be incurable. For a great
many years doctors pronounced it a local
disease and prescribed local remedies, and
by constantly failing to cure with local
treatment, pronounced it incurable. Sci-
ence has proven Catarrh to be a constitu-
tional disease, and therefore requires
constitutional treatment. Hall's Catarrh
Cure, manufactured by F. J. Cheney &
Co., Toledo, Ohio, is the only Constitu-
tional cure on the market. It is taken in-
ternally in doses from 10 drops to a tea-
spoonful. It acts directly on the blood
and mucous surfaces of the system. They
offer one hundred dollars for any case it
fails to cure. Send for circulars and tes-
timonials.
Address: F. J. CHENEY & CO., Toledo, O.
Sold by Druggists, 75c.
