P. N. U. No. 4, 1918

STATE NEWS IN BRIEF.

School children in Benton and Polk
county districts will hold a rural life
week February 17-23, in which they
will feature George Washington as a
farmer.

The Umpqua river is expected to
become one of the industrial centers of
the state, and the first of three new
sawmills now under construction will
be ready for operation in two weeks,
probably, and in three certainly.

Parole Officer Keller has received
letters from three men now out on
parole tendering their services to go to
France in event a company of prison-
ers is selected from the state peniten-
tiary, along the line of Keller's sug-
gestion of a few days ago.

Formal organization of the Central
Oregon irrigation district, recently
voted by settlers on the Central Oregon
Irrigation company project, has been
completed at Bend, with the election
of J. A. Thompson as president and
James G. McGiffie as secretary.

For the purpose of developing a
safer and better system for the settle-
ment of agricultural and logged-off
lands of the state, Governor Withy-
combe has created a new non-salaried
commission, to be known as the Ore-
gon Land Settlement commission.

Frank Astman returned to Canby
from Rockaway Beach, Tillamook, last
week, where he has a timber claim.
Mr. Astman said that he has a contract
with the government to cut 1,000,000
feet of split spruce. He will cut 56-
000 feet each month. He already has
a crew of men at work.

Last week Hood River residents
were unable to obtain fish. Local
dealers say that halibut has been un-
obtainable in the Portland wholesale
market, and the cost of salmon, 26
cents a pound in Portland, makes it
so expensive as a food there that pa-
trons cannot afford to buy it.

Bend policemen raiding a shanty oc-
cupied by Joe Kaalestori, in Terminal
Addition, this week, uncovered a com-
plete still used in the manufacture of
liquor. A patent iron press and five
gallons of wine and an additional quan-
tity in process of fermentation were
also found. Kaalestori is held under
\$100 bond.

The United States government is
making an investigation of the ship-
building possibilities of the Siuslaw
river. A. A. Eichler, of Oakland,
Cal., special investigator for the
Emergency Fleet Corporation, has ar-
rived at Glenada, and will check up
reports on the river now on file in
Washington.

The dangerous crossing of the Pa-
cific Highway and the Southern Pacific
tracks at Divide, just south of Cottage
Grove, must be eliminated during the
coming year, according to an order of
the Public Service commission. An
overhead crossing must be constructed,
the railway bearing 40 per cent of the
expense, the county 30 per cent and
the state 30 per cent.

County agents, home demonstration
agents and girls and boys clubs of
Oregon have concluded a busy week of
preparation for the big food campaign
to meet the call of the government for
more food production and better con-
servation. Plans for organizing the
farm and the home, the school
forces for concerted and well-directed
effort by which every lick will be
made to count for the most possible,
were very thoroughly worked out, and
will be put into effect in the counties
that have responded to the nation's
call for county agents in every county.

The Henryville mine, near Marsh-
field, leased a year ago by R. M. Jen-
nings, has been turned back to its own-
ers, the Coos Bay Lumber company,
with liabilities against it amounting
to nearly \$30,000.

Cyrus H. Walker, of Albany, oldest
living white man born west of the
Rocky Mountains, was struck by an
auto in Albany Friday night, but es-
caped serious injury. He suffered se-
vere bruises, however.

Henry Hooker, said to have declared
to his fellow workers in the Silver
Falls Lumber company's camp, near
Silverton, that he is an alien enemy
and would return to Germany and fight
for the Kaiser if given the opportu-
nity, was taken to jail at Salem by
Deputy Sheriff Bowers. Hooker says
he was born in Prussia and has lived
in America for years. He will be
turned over to the Federal authorities.

R. Alexander, a prominent merchant
of Pendleton, is considering becoming
a candidate in the Republican primar-
ies for state treasurer, according to
word received in Salem.

The Southern Curry County Tele-
phone company was granted a reclassi-
fication of its rates in an order issued
by the Public Service commission Sat-
urday, to become effective February 1.
Under the present rates \$6 a quarter
is charged for its various classes of
business and residence service.

Secretary Lea, of the State Fair
board, who left Friday for New West-
minster, B. C., where he will attend a
meeting of the North Pacific Fair as-
sociation, says he believes none of the
fairs on the circuit will attempt to
eliminate racing this year.

J. W. Brewer, farm help specialist
of the Federal bureau of agriculture,
says that he expects to have the crop
and labor survey he is making of the
state, in conjunction with the state la-
bor commissioner and the extension
department of the Agricultural Col-
lege, completed by March 1.

SAGE TEA BEAUTIFIES AND DARKENS HAIR

Don't Stay Gray! It Darkens
So Naturally that No-
body can Tell.

You can turn gray, faded hair beau-
tifully dark and lustrous almost over-
night if you'll get a 50-cent bottle of
"Wyeth's Sage and Sulphur Com-
pound" at any drug store. Millions of
bottles of this old famous Sage Tea
Recipe, improved by the addition of
other ingredients, are sold annually,
says a well-known druggist here, be-
cause it darkens the hair so naturally
and evenly that no one can tell it has
been applied.

Those whose hair is turning gray
or becoming faded have a surprise
awaiting them, because after one or
two applications the gray hair van-
ishes and your locks become luxuriant
dark and beautiful.

This is the age of youth. Gray-
haired, unattractive folks aren't want-
ed around, so get busy with Wyeth's
Sage and Sulphur Compound tonight
and you'll be delighted with your dark,
handsome hair and your youthful ap-
pearance within a few days.

This preparation is a toilet requisite
and is not intended for the cure, miti-
gation or prevention of disease.—Adv.

Overburdened.
"How does it happen that a prohibi-
tion community is obliged to arrest
people for intoxication?"
"Well," said Uncle Bill Bottletop,
"it's another phase of the transporta-
tion problem. Every now and then

liquor supply from outside territory
undertakes to be his own demijohn."

ALL MEN AT HOME SHOULD PREPARE FOR WAR.

The first test a man is put thru for
either war or life insurance is an exam-
ination of his kidneys. This is most es-
sential because the kidneys play a most im-
portant part in causing premature old age
and death. The more injurious the pos-
sions passing thru the kidneys the sooner
comes decay—so says Dr. Pierce of Sur-
gical Institute, Buffalo, N. Y., who further
advises all people who are past thirty to
preserve the vitality of the kidneys and
free the blood from poisonous elements,
such as uric acid—drink plenty of water—
sweat every day and take Anuric, double
strength, before meals.
This Anuric is a late discovery of Dr.
Pierce and is put up in tablet form, and
can be obtained at almost any drug store.
For that backache, lumbago, rheumatism,
"rusty" joints, swollen feet or hands, due
to uric acid in the blood, Anuric quickly
dissolves the uric acid as hot water does
sugar. Take a little Anuric before meals
and live to be a hundred. Send 10 cents
to Dr. Pierce for trial package of Anuric.

YES! MAGICALLY! CORNS LIFT OUT WITH FINGERS

You corn-pestered men and women
need suffer no longer. Wear the shoes
that nearly killed you before, says
this Cincinnati authority, because a
few drops of freezone applied directly
on a tender, aching corn or callous
stops soreness at once and soon the
corn or hardened callous loosens so it
can be lifted out, root and all, with-
out pain.

A small bottle of freezone costs
very little at any drug store, but will
positively take off every hard or soft
corn or callous. This should be tried
as it is inexpensive and is said not
to irritate the surrounding skin.

If your druggist hasn't any freezone
tell him to get a small bottle for you
from his wholesale drug house. It is
fine stuff and acts like a charm every
time.—Adv.

War Recipes

Cut out the following recipes and
paste them in your cook book to help
you Hooverize. They have been
thoroughly tested by instructors and
special lecturers in the department
of economics at the University of
Washington.

Eggless Rye Muffins—2 c rye flour,
4 tsp baking powder, 1 tsp salt, 4 tsp
sugar, 1 c milk, 1 tsp melted fat. Mix
dry ingredients, add milk and melted
fat and bake in a hot oven.

Graham Biscuit—1 c white flour, 1
c graham flour, 5 tsp baking powder, 2
tbsp shortening, 1 c milk, 1 tsp salt.
Mix dry ingredients and sift twice.
Work in shortening with tips of fin-
gers, add gradually the liquid, mixing
with knife to soft dough. It is impos-
sible to determine exact amount of
liquid, owing to difference in flour.
Pat and roll lightly on floured board to
1/4 inch thickness. Cut with a biscuit
cutter, place on buttered pan and bake
in hot oven.

Rye Biscuits—1 c white flour 1 c
rye flour, 5 tsp baking powder, 2 tsp
shortening, 1 c milk, 1 tsp salt. Mix
dry ingredients and sift twice. Work
in shortening with tips of fingers, add
gradually the liquid, mixing with a
knife to soft dough. Pat and roll
lightly on a floured board to 1/4 inch
thickness. Cut with biscuit cutter,
place on buttered pan and bake in hot
oven.

Not only can yeast breads and hot
breads be made with other flours than
white, but cakes made with rye and
graham flour are light, attractive and
delicious. Spices mask the strong
taste of the rye.

Boston Favorite Cake—2-3 c short-
ening (Cottolene, Cream Krisp, oleo-
margarine, drippings), 2 c sugar, 4
eggs, 1 c milk, 3/4 c flour (equal parts
graham and rye), 1 tsp salt, 5 tsp bak-
ing powder, 1 tsp cinnamon, add sugar
gradually, eggs beaten until light,
then milk, and then flour mixed and
sifted with baking powder. This re-
cipe makes two loaves. If flavor of
graham flour and rye is too prominent,
use a little more spice.

Coffee Cake Without Shortening.—
3 eggs, 1 c sugar, 1 c molasses, 1 c
coffee, 2 tsp cinnamon, 1 tsp cloves,
1 tsp allspice, 1 tsp soda, 1 lb. raisins,
2 1/2 c rye flour, 2 1/2 c white flour. Mix
dry ingredients, add molasses, coffee
and beaten eggs and raisins.

Moscow Poultry Show Opens.
Moscow, Idaho.—The Panhandle
Poultry Show opened in this city Wed-
nesday with Pren Moore, head of the
poultry department at the University
of Idaho and president of the poultry
association, in general charge. Oscar
Nelson, of Coeur d'Alene, is the judge,
and a poultry judging contest between
teams representing the University of
Idaho and the Washington State Col-
lege is to be a feature. Entries have
come from many points in North Idaho,
Eastern Washington and Western Mon-
tana, with a few from Oregon.

SALTS IF BACKACHE AND KIDNEYS HURT

Stop eating meat for a while if
your Bladder is troubling
you

When you wake up with backache
and dull misery in the kidney region
it generally means you have been eat-
ing too much meat, says a well-known
authority. Meat forms uric acid
which overworks the kidneys in their
effort to filter it from the blood and
they become sort of paralyzed and
luggish. When your kidneys get slug-
gish and clog you must relieve them,
like you relieve your bowels; remov-
ing all the body's urinous waste, else
you have backache, sick headache,
dizzy spells; your stomach sours,
tongue is coated, and when the weath-
er is bad you have rheumatic
twinges. The urine is cloudy, full of
sediment, channels often get sore, wa-
ter scalds and you are obliged to seek
relief two or three times during the
night.

Either consult a good, reliable phy-
sician at once or get from your phar-
macist about four ounces of Jad Salts;
take a tablespoonful in a glass of
water before breakfast for a few days
and your kidneys will then act fine.
This famous salt is made from the
acid of grapes and lemon juice, com-
bined with lithia, and has been used
for generations to clean and stimulate
sluggish kidneys, also to neutralize
acids in the urine so it no longer irri-
tates, thus ending bladder weakness.
Jad Salts is a life saver for regular
meat eaters. It is inexpensive, can-
not injure and makes a delightful, ef-
fervescent lithia-water drink.—Adv.
