**Bad Habits.**

Shun bad habits. Every evil and wasteful habit draws upon our strength and resources without making any proper return. On the other hand, every task faithfully done, every responsibility manfully borne in the path of duty, steadies us like well bestowed ballast.

**Utility.**

"They're going to build a sausage factory on the golf course."  
"What for?"  
"To make use of the links, I presume."—Exchange.

**Its Nature.**

"My dog can scent a storm hours off."  
"Then his nose must be something of a storm scenter."—Baltimore American.
