STATE NEWS IN BRIEF.

Walter Brobeck was arrested Saturday at Medford, for failure to support his four children, ranging from 2 to 11 years old. On failure to supply \$500 bail he was given a room in the county jail.

The Corvallis fire department was presented with a service flag Wednesday. The flag contains 27 stars, one of them being of gold to represent the death of George Watts, of Company K, who died of pneumonia in France.

The county court at Pendleton will be required, under three suits filed against the Spokane Flouring Mills company, to determine the damages suffered by three Umatilla county farmers whose grain last year did not come up to expectations.

Edward D. Pierce, the 15-year-old son of Mr. and Mrs. Alfred D. Pierce, of Blind Slough, near Astoria, fell off a logging train on Larkin-Green road Tuesday evening and was run over and so badly crushed that he died before medical attention reached him.

The Humburg Manufacturing company, of Mount Angel, has shipped a car of 65,000 tent stakes which they made for the government. They are still working on an order of 120,000 to be delivered later. Up to this time they have shipped 475,000 stakes.

Insurance Commissioner Harvey Wells has advised the Ford Car Owners' Protective association, of Chicago, which is transacting business in Portland and other points of the state, to either comply with the insurance laws of Oregon or cease doing business.

Seven hundred Lane county farmers had returned agricultural survey blanks, in connection with the plan of the Federal government to obtain knowledge of food resources, Saturday night, according to a statement made by County Agricultural Agent N. S. Robb.

Out of 17 men examined last week by the Umatilla Medical Advisory board, only five were passed for service. The county examiners, on the other hand, have had a much better record, for, out of 20 examined Wednesday, only one was referred to the advisory board.

O. O. Calderhead, of the Washington Public Service commission, has been designated by the Oregon commission to represent it at a hearing to be held in Chicago within a few days by an Interstate Commerce commission examiner to reopen the question of rates on glass bottles from the east to the Pacific Coast.

In the foreclosure of delinquent tax certificates issued to counties, service can be obtained on delinquent taxpayers by publication alone, Attorney General Brown held Wednesday in an opinion to District Attorney Biggs, of Harney county. But the attorney general emphasizes the point that this opinion applies only to cases in which the counties themselves are bringing the foreclosure suits.

A drive has been started throughout the state to secure information about farm crops and farm labor conditions, according by Labor Commissioner Hoff. Follow-up letters have been sent to all of the granges, farmers' unions and others interested throughout the state, to get this information in shape and forward it at the earliest possible moment so that it will be ready for compilation within the next two weeks if possible. The labor commissioner hopes by this census to have a complete and accurate estimate of all crops in the state upon which to base an estimate of the amount of farm labor needed to handle the crops for the 1918 season.

Information which has been received in Salem is to the effect that the great Horst Brothers' hop ranch near Independence, said to be one of the largest in the world, will be converted largely into a vegetable ranch and that the dryers will be used for evaporation of vegetables. It is stated that 400 acres of the ranch are to be leased for vegetable growing.

W. S. Brown, Oregon Agricultural college extension specialist, will open a pruning school in Dallas next Wednesday morning. This school is to illustrate the pruning of the Italian prune tree in the formative period in the young orchard and also the pruning for fruit in a bearing orchard. Rejuvenating of old orchards also will be given some attention.

Fire which apparently started from an overheated forge Thursday night damaged tools and machinery in the welding and machine shop belonging to H. R. Riley, of Bend. The building was saved.
Miss Eunice Ramadell shipped on Monday's outgoing train the last two of the four boxes of ready-to-wear clothing contributed by citizens of Cove and vicinity for immediate relief of destitute Belgium children and women.

Miss Evelyn Hanks, of Perdue, a small settlement in Douglas county, has the distinction of being the largest individual buyer of war savings stamps, having purchased \$500 worth. A campaign is on among the school children of Roseburg for the war cause and many are investing.

SALTS IS FINE FOR KIDNEYS, QUIT MEAT

Flush the Kidneys at once when Back hurts or Bladder bothers.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which clogs the kidney pores so they sluggishly filter or strain only part of the waste and poisons from the blood, then you get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, constipation, dizziness, sleeplessness, bladder disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, get about four ounces of Jad Salts from any reliable pharmacy and take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia and has been used for generations to flush clogged kidneys and stimulate them to activity, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which all regular meat eaters should take now and then to keep the kidneys clean and the blood pure, thereby avoiding serious kidney complications.—Adv.

IF HAIR IS TURNING GRAY, USE SAGE TEA

Here's Grandmother's Recipe to Darken and Beautify Faded Hair.

That beautiful, even shade of dark, glossy hair can only be had by brewing a mixture of Sage Tea and Sulphur. Your hair is your charm. It makes or mars the face. When it fades, turns gray or streaked, just an application or two of Sage and Sulphur enhances its appearance a hundredfold.

Don't bother to prepare the mixture; you can get this famous old recipe improved by the addition of other ingredients for 50 cents a large bottle, all ready for use. It is called Wyeth's Sage and Sulphur Compound. This can always be depended upon to bring back the natural color and lustre of your hair.

Everybody uses "Wyeth's" Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through the hair, taking one small strand at a time; by morning the gray hair has disappeared, and after another application it becomes beautifully dark and appears glossy and lustrous. This ready-to-use preparation is a delightful toilet requisite for those who desire dark hair and a youthful appearance. It is not intended for the cure, mitigation or prevention of disease.—Adv.

SUFFERING CATS! GIVE THIS MAN THE GOLD MEDAL

No humbug! Any corn, whether hard, soft or between the toes, will loosen right up and lift out without a particle of pain or soreness. This drug is called freezeone and is a compound of ether discovered by a Cincinnati man.

Ask at any drug store for a small bottle of freezeone, which will cost but a trifle, but is sufficient to rid one's feet of every corn or callous. Put a few drops directly upon any tender, aching corn or callous. Instantly the soreness disappears and shortly the corn or callous will loosen and can be lifted off with the fingers. This drug freezeone doesn't eat out the corns or callouses but shrivels them without even irritating the surrounding skin. Just think! No pain at all; no soreness or smarting when applying it or afterwards. If your druggist don't have freezeone have him order it for you.—Adv.
