Sage Tea and Sulphur Darkens So Naturally that Nobody can tell.

Hair that loses its color and lustre, or when it fades, turns gray, dull and lifeless, is caused by a lack of sulphur in the hair. Our grandmother made up a mixture of Sage Tea and Sulphur to keep her locks dark and beautiful. and thousands of women and men who value that even color, that beautiful dark shade of hair which is so attractive, use only this old-time recipe. Nowadays we get this famous mix-ture improved by the addition of other ingredients by asking at any drug store for a 50-cent bottle of "Wyeth's Sage and Sulphur Compound," which derkens the hair so perturally so even darkens the hair so naturally, so evenly, that nobody can possibly tell it PORTLAND, ORE one small strand at a time. By morning the gray hair disappears; but what delights the ladies with Wyeth's Sage and Sulphur Compound, is that, besides beautifully darkening the hair after a few applications, it also brings back the gloss and lustre and gives it an appearance of abundance.

Eat less meat if you feel Backachy or have Bladder trouble.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which excites the kidneys, they become overworked from the strain, get sluggish and fall to filter the waste and poisons from the blood, then we get sick. Nearly all rheuma-tism, headaches, liver trouble, nervous-ness, dizziness, sleeplessness and urinary disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, stop eating meat and get about four ounces of Jad Salts from any phar macy; take a tablespoonful in a glass of water before breakfast and in a few days your kidneys will act fine This famous saits is made from the acid of grapes and lemon juice, com-bined with lithia, and has been used tor generations to flush and stimulate the kidneys, also to neutralize the acids in urine so it no longer causes

Jad Salts is inexpensive and cannot injure; makes a delightful effer-vescent lithia-water drink which everyone should take now and then lifts right off without pain.

He says freezone dries immediately and never inflames or even irritates serious kidney complications.—Adv.
