VOL. XIV

FALLS CITY, OREGON, SATURDAY, MARCH 16, 1918

No. 29.

## BLACK ROCK ITEMS

Mrs. Nollie Dimmick and Miss Opal Wallace were Falls City visitors last Friday.

Miss Gladys Ridenour was on the sick list last week but is improving.

Miss Helen Poling of Dallas was a week end visitor in our city.

Miss "Evelyn" of McMinnville is spending this week with Mrs. Calderree.

Mrs. Coon returned Monday from a business call in Salem.

Charles Hayter was a business caller in our city last Saturday.

Mr. and Mrs. Charles Wallace and family spent the week end with his parents, Mr. and Mrs. W. T. Wallace.

Mrs. Cora Osborn left last Sunday for Portland where she will take care of her mother who is just from the hospital.

Miss Geneva Sayre spent Saturday and Sunday with her parents at Monmouth.

Mrs. Myrtle Schlitz and Mrs. Lida Haggidorn were in Falls City on business Monday.

The upper Spaulding camp had a runaway, smashing one car which was taken to the repair shop Tuesday, and the W. V. L. also had the misfortune to let their cars get away, started down grade, tearing up quite a strip of track.

The 10-Spot ran over Mr. Holts pigs cutting their bodies in-two. It killed them.

Mr. Price just had a carload of oak wood (40 rick) delivered. We hear he is going to make a wood burner of his "Ford."

Forest Lamm fell from a 'stack' of boxes where he was playing and cut quite a gash above his eye.

E. G. Balderree bought a car, Overland bug body, last Monday.

Sophus Bonloke brought his Ford to Falls City Monday after spending the week end in Beaverton.

Bob Shlitz and family returned Sunday to their home in this city.

Gertrude Watzling spent Saturday and Sunday with her aunt, Lida Haggidorn.

The Red Cross dance Saturday netted about \$55.00

Mrs. Hughes is recovering slowly.

Miss Grace Lamm of Ballston is visiting her brother, Joe Lamm, this week.

Mr. Turner is slowly recovering from an attack of la grippe.

Orville Woodfin left here Tuesday.

The wonderful half dozen Spot 6 is doing her duties for the W. V. L. Co. again.

R. G. Balderree attended the dance last Saturday, which was quite a surprise as well as a joke, we hear.

Mrs. Dimmick was in Dallas on Tuesday, visiting.

Collier's Weekly does not swallow the reports given out that the submarine peril is past. It says that from statistics in its possession, that during the year 1917, and so far in 1918 the submarine toll on shipping has been three tons destroyed for every ton floated by the allies and all neutral countries combined. If this be true, the U. S. will have to speed up considerably to overcome such odds.

The Salem Capital Journal is of the opinion that the best way to Hooverize would be to dispense with Mr. Herbert Hoover.

Politicians, Democrat and Republicans, are much worried lest that "Non-partisan gang" pull something over the poor unsuspecting farmers. Too bad!

## THREE FOR COUNTY CLERKSHIP

Three prospective candidates on the Republican ticket are expected to be in the primary fight. Floyd D. Moore, present County School Supervisor, whose home is at Monmouth, George W. Conner of Ballston, and John Uglow of Dallas. It is highly probable that the present incumbent will be the only candidate on the Democratic ticket, and having already served three terms, the successful Republican candidate in the primary should be elected, as the American people, as a rule, are opposed "third termers."

## THE RED CROSS NURSES OF EUROPE ARE GIVING TOASTED CIGARETTES TO THE BOYS

To anyone who doesn't know of the wonderful advances that have been made in the preparation of smoking tobaccos in the last few years it may sound strange to speak of toasted cigarettes.

Strictly speaking, we should say cigarettes made of toasted tobacco; the smokers of this country will recognize it more readily by its trade name, "LUCKY STRIKE"—the toasted cigarette.

The American Tobacco Company are producing millions of these toasted cigarettes and these are being bought in enormous quantities through the various tobacco funds conducted by the newspapers of the country and forwarded through the Red Cross Society to the boys in France.

This new process of treating tobacco not only improves the flavor of the tobacco but it seals in this flavor and makes the cigarettes keep better.

The Red Cross nurse is always glad to have a cigarette for the wounded soldier, as, in most instances, that is the first thing asked for.
