All the schools were asked by the Government to give speeches or write themes, to further the cause of the "Liberty Loan." Falls City met the request with her usual activity. The grades from the 5th grade to the 12th grade took part, and for the best speech or theme a certificate was given. From the Senior class Laurena Treat received the honor, the Sophomore class, Mildred Reynolds, and the Freshman class Mabel Murphy. From the 5th grade Myrtle Ellis and from the 8th grade Opal Ward.

## ENTIRE STOCK SACRIFICED FOR 13 DAYS TO REDUCE STOCK ONE-THIRD

The World War has jumped prices of clothing, furnishing goods and shoes to unheard of heights. Here is a ray of sunshine to every man and boy in Polk County. We are the only exclusive men's store in the county and carry the best known makes of clothing, shoes and hats, which were bought before the heavy advance in prices, which we are now selling at prices for less than other merchants can buy at wholesale today. This slaughter of prices will continue for thirteen days, during which time we must and will reduce this stock one-third. This is an opportunity no man or boy can afford to miss, as the prices for next Fall will be double the present retail prices, so buy now and save at least one half on your clothing bill for this year.
