WANTED

Second-hand, good sacks. Will pay 8cts cash. N. SELIG.

Mr. Editor:

In these days that try men's souls, why do they not turn to the only source of light and information there is that is authentic? Never was prophecy being fulfilled so rapidly as now, and never was the world in greater darkness. In the language of the prophet, "the night cometh, and also the morning." Isa. 21-12. We are living in the time foretold by the prophet John:—"The nations were angry, and thy wrath is come; and the time of the dead that should be judged, and that thou shouldst give reward unto thy servants the prophets and to the saints, and them that fear thy name, small and great; and shouldst destroy them which destroy the earth." Rev. 11-18.

We are living in the time foretold by the prophet Joel.—Proclaim this among the Gentiles, prepare for war, wake up the mighty men; let all the men of war draw near, let them come up. Beat your plowshares into swords and your pruninghooks into spears; let the weak say I am strong. Joel 3-6, 10.

We are in the very closing part of Nebuchadnezzar's dream.

Daniel 2-44, 45. Soon it shall be proclaimed, whether we hear it or not, the kingdoms of this world are to become the kingdoms of our Lord and of his Christ, and he shall reign for ever and ever. Rev. 11-18.

The disciples came to Jesus privately saying, tell us when shall all these things be, and what shall the sign of thy coming and the end of the world.—Matthew 24-3. In answer to their question he traced the history of the world from that time down to the end of time. He set signs along the way to let his people know where they were along the stream of time. Among these signs was the fall of Jerusalem, the fall of the Roman Empire, the rise, reign and fall of the Papal power. The signs in the sun, moon and stars, the distress among nations with perplexity. History tells us all of these things have been fulfilled. John speaks of the rise and fall nations. The next signs we are to look for is the armies of the warring nations to meet in awful maelstrom over the sacred sepulchres of Jerusalem, and then, shall Armageddon come, then shall they see the Son of man coming in the clouds of heaven with power and great glory.—Matt. 24th chapter.

There is an unseen power now working among nations, which men recognize but can not account for. John saw them working among the nations to gather together to the great day of God Almighty. Rev. 16-13, 16.

The final movements will be rapid ones.

Wm. Estell.

FOODS TASTE BETTER COOKED —TOBACCO TASTES BETTER TOASTED

Since the day of the caveman, who liked his meat raw, civilization has learned a lot about the scientific treatment of the things we eat.

Naturally none of us would now prefer to have our meat raw, our potatoes as they come from the ground, our coffee unroasted.

And naturally follows the great discovery recently made by The American Tobacco Co.—that tobacco tastes better TOASTED!

This wonderful new idea—simple like all great inventions—was first used in producing the famous LUCKY STRIKE Cigarette—made of toasted Burley tobacco.

Burley has a mellow flavor, entirely different from the tobacco usually used for cigarettes. It is a pipe tobacco and LUCKY STRIKE Cigarettes taste like a pipe.

POWELL'S CAMP

Just because this camp has not been represented in our local paper is not saying that everyone is dead, but news does seem scarce to ye scribe.

Mrs. Fred Isenhagen who has been "doing" the dishes at the cook house since Mrs. Ed Wright's departure several weeks ago, returned to her home near Dallas, Saturday.

Mr. and Mrs. Dempsey Cochran returned to camp a week ago after a week's absence due to the former having blood poison in his hand.

A bunch of nine from camp attended the Red Cross Benefit box social at the school house in the Valley, two weeks ago. Miss Alma Hoppe is teacher. Twenty-six and one-half dollars being the amount raised.

Monday afternoon, April 29, was a smoky, scary time for the ladies in the "residence" part of camp due to a fire right outside the door, but was put out all O. K.

What's The Matter With Oregon?

R. N. STANFIELD,

REPUBLICAN FOR

United States Senator

"I have a very strong conviction that Oregon has been discriminated against by the National Government in many ways. Mr. Standfield shares this feeling and promises, if elected, to correct it as far as lies in his power to do so. Senator McNary denies that any such discrimination exists. He was quoted in a dispatch from Washington to the Oregon Journal as saying that he took no stock in the statement that there had been discrimination against Oregon. Of course, if he believes that there has been no such discrimination he will make no effort to remove it." S. B. Huston who withdrew from the Senatorial contest is supporting Stanfield.

Why do the Telegram and Journal complain that Seattle is always taking payrolls away from Portland, then attack Stanfield because he has built up an industry which benefits Oregon and Portland, creates a payroll and adds thousands of dollars to the tax list? Why has Portland lost so much to Seattle—is it because there are elements in Portland always ready to knock anyone who tries to help the community?

Five lawyers comprise the Oregon delegation at Washington, there has not been a business man, farmer, or toiler in the delegation in a generation.

Why has the Chamber of Commerce felt it necessary to hire a special representative at a Senator's salary of \$7,500 a year to look after Oregon's interests?

Stanfield will not be dictated to and controlled by a political boss, corporations or by newspapers, but will serve the people of his state playing no favorites and giving a square deal.

No one has ever said that Bob Stanfield is a double-crosser, or that he is selfish or not liberal with his resources or his friendship. There isn't a lazy bone in his body. He has been a toiler all his life and never held a cushy job.

Raised on the range, he is no silk-stocking. Stanfield has built up from nothing through constructive labor until today he is one of the genuine assets of Oregon. He did not marry his money, nor did he inherit it—he worked for it.

Republicans know that Standfield is 100% Republican. He is not a 50-50 Demo-Rep.
