TUESDAY JULY 8, 1904.

New Manufacturing Industry.

North Bend at the present time supports several large manufacturing institutions, and several more are about to be established here. Of those that are positively assured are a pulp and paper mill, a furniture factory, a box factory, a large shingle mill and a cannery. The manufacturing establishments already in operation in North Bend are two large lumber mills, a sash and door factory, a milk condensery and a woolen mill. A large iron tacks by the torpedo flotillas, the and invoice work, universal keyfoundry and machine shops are nearly ready to begin operations. There is no city in the United States that has a bigger pay roll in proportion to its population than North Bend. More than \$40,000 and "Chidori" receive a shell and monthly is paid out in this city for three men are killed and three labor, and its population is only a wounded. little more than 1,200. In other words, there is paid monthly in this city the handsome sum of \$33.62 for every man, woman and child,

justified.

The Post has recenly learned tubes. from a most reliable source that a company is shortly to be organized to manufacture brick in North forces in Manchuria with Lieuten-Bend. The brick will be made ant-General Kodama as his chief of from ocean sand and can be sold at staff. Oyama is the hero of the a good profit for \$10 per thousand. Ping Yang cattle, having defeated It is said that the company will be a superior number of the Chinese incorporated for \$50,000. It will army ten years ago. He was formemploy in the neighborhood of 30 erly chief of the military strategic men, and perhaps more.

Hitherto the white scrub sand of the ocean beach has been considered of no value, but it has been left for a North Bend business man to discover that there is a great for-

Some years ago a machine and process was patented in Germany for manufacturing brick from sand mixed with lime, the process of which requires a tremendous steam pressure. The patent right of this machinery for the United States was let by the patentee and the machinery has been introduced into this country. It is used in certain Eastern localities with great success In Florida, near Lakeland, a gentleman recently established a plant for the manufacture of brick from the Florida sand, and has been able to produce a very superior quality Kaichou after a severe battle with of the article. The brick are very the Russians. hard, uniform in size and weight, and can be made in any color desired. They are much more durable than the ordinary clay brick, and can be sold for several dollars per thousand cheaper.

These sand brick contain 8 per cent lime.

Verge

Of Insanity Despite Doctor's Care.

Nervous Cramps in

Hands and Feet. Dr. Miles' Nervine Was My Salvation.

Sleeplessness is at once a symptom and a disease. Just as soon as the nerves become deranged the patient suffers from sleeplessness. Deprived of their natural rest the nerves soon lose all force and vitality and while sleeplessness is a symptom in such cases it frequently becomes chronic and remains the chief effect of disordered nerves. Dr. Miles' Nervine quiets the nerves and strengthens them; soothes the tired brain and permits sleep; restores lost energy and vitality and brings sleep, health and strength. "Previous to our coming to the territory vitality and brings sleep, health and strength.

"Previous to our coming to the territory three years ago, we lived in Virginia, and it was there that I got acquainted with the wonderful powers of Dr. Miles' Nervine. I had been under the doctor's care and taking his medicine for over two years, but the nervous trouble that was gnawing my life away grew steadily worse. I had nervous cramps in my hands and legs, which would draw up and pain me so that I could not sleep at night. Often I never closed my eyes for days and nights together. The doctor finally told me he could do nothing more for me and that I was on the verge of insanity. He told me I might try your Nervine as a last resort, and it proved to be my salvation. When I had used four bottles of the remedy together with the Nerve and Liver Pills I had regained my former good health."—Mas. MARTHA I, SHEFFER, Omer, Oklahoma.
