J. J. Stanley has sold his interest in the Coquille City Bulletin to D. F. Dean, of the Herald, who intends to combine the Herald and Bulletin and issue a semi-weekly paper. However, it has fallen into good hands, and we predict that Mr. Dean will make a decided success of the Herald-Bulletin—Coos Bay News.  
Mrs. James Whobrey, of Myrtle Point, accompanied by her little son and a 10-year-old daughter of Mr. and Mrs. W. T. Lehuber, of the same place, had quite a serious runaway accident on Tuesday. They had gone out blackberrying with a one horse rig of Mr. Lehuber's and while out on the road near town the horse became unmanageable, and while neither of the children is seriously injured, they went too much excited to explain the full details of the accident, and Mrs. Whobrey's injuries are such that the manner in which it occurred is not clear to her. She received a severe scalp wound which indicated that a wheel of the vehicle had passed over her head, while her appearance would show that she had been dragged, the heel of one of her shoes being torn off. Her condition at last accounts was thought to be critical.

Crushed Under the Cars.  
Baker City, Or., June 30.—Sam Hoagland, a Finlander about 25 years of age, while attempting to get on a west bound O. R. & N. train near Unity this evening, fell under the wheels and was badly crushed so that he died about 30 minutes afterward.  
Hoagland and a companion were beating their way from Salt Lake City to Portland, and according to the testimony at the coroner's inquest one of the brakemen went back to look after a brake that was sticking. Young Hoagland evidently thought the brakeman was after him and jumped off the train which was running about eight miles an hour.  
The fireman saw him get off and then try to get on the stay rods under the car. The fireman observed the dust raising from under the car and called to the engineer to stop the train, that a man had been run over. The brakeman heard him cry out as the wheels passed over him. He was placed on the train where he died in less than 60 minutes. His legs and the lower part of the part of the body were crushed. The young man's home is in Marshfield where his parents reside.

Rivals the War.  
Chicago, Ill., July 4.—The "same and safe" Fourth of July in the United States rivals the Oriental war in its list of casualties. Partial reports show that 37 persons were killed as a direct result of celebrating the Nation's birth. Of the appalling list of injured, fully 200 or more will succumb to their injuries, as tetanus almost invariably follows a wound from firework or July 4 explosive. The forgoing takes no account of the race riot or murders of the day, but gives an incomplete idea of what it costs the American people to celebrate the glorious Fourth.  
Incomplete returns show a loss by fire following celebration accidents, of more than \$150,000.  
The toy pistol has been overshadowed this year by the "dynamite cane," a contrivance which deals death and destruction in nearly every instance. Detailed reports of the casualty lists shows that a large number of persons were the victims of malicious mischief, raffianly boys and men in the larger cities taking pains to maim little children and aged people. In two cases, aged persons were frightened to death by revolvers. Reports from country districts, where runaway accident are numerous on July 4, are expected to swell the list of dead and injured.

Wonderful Cure.  
Is displayed by many a man enduring pains of accidental Cuts, Wounds, Bruises, Burns, Scalds, Sore feet or stiff joints. But there's no need for it. Bucklen's Arnica Salve will kill the pain and cure the trouble. It's the best Salve on earth for Piles, too. 25c. at R. S. Knowlton's Druggist.
