Oregon Officials Well Paid.

Oregon pays secretary of state more than twice as much as is received by the secretary of state of the United States, twice as much as the salary of Governor Odell of New York and about four times the salappeared and served at the April, ary of United States senators and

Oregon's state treasurer makes at least twice as much as the vice-president or the members of the president's cabinet.

From a financial standpoint it is better to be United States ambassador and minister plenipotentiary at the court of St. James.

New York City, with a populathe entire state of Oregon, and an assessed valuation forty times as 13 20 great, pays her mayor less money than is made annually by either the secretary of state, the state treasurer or the state printer of Oregon. -Portland Journal.

Ten Years of Suffering. "I wish to say a few words in 50 praise of Chamberlain's Colic, s of Cholers, and Diarrhoes Remedy." say Mrs. Mattie Burge, of Martinsville, Va. I suffered from chronic diarrhoea for ten years and during that time tried various medicines without obtaining any permanent relief. Last summer one of my children was taken with cholera morbus, and I procured a bottle of this remedy. Only two doses were required to give her entire relief I then decided to try the medicine myself, and did not use all of one bottle before I was well and I have never since been troubled.
