A Very Close Call.

"I stuck to my engine, although every joint ached and every nerve was racked with pain," writes C. W. Bellamy, a locomotive fireman of Burlington, Iowa. "I was weak and pale, without any appetite and all run down. As I was about to give up, I got a bottle of Electric Bitters, and after taking it I felt as well as I ever did in my life." Weakly, sickly, run down people always gain new life, strength and vigor from their use. Try them. Satisfaction guaranteed by R. S. Knowlton. Price 50 cents.

J. J. Stanley has sold the Coquille Bulletin to D. F. Dean of the Herald of that city, who will combine the two in one publication as a semi-weekly, under title of the Semi-weekly Herald. The Bulletin has been an important factor in development of Coos county's various resources.—Eugene Guard.

Joint Representative Robert Burns arrived here from Curry County yesterday. In company with our townsman J. J. Stanley, Mr. Burns will open up a law office in our city and, we hope, become a permanent resident at this place. These gentlemen are well enough acquainted in this section that an introduction or recommendation is wholly unnecessary on our part but we bespeak for them a liberal share of the business in their line.

Rus Johnson and Sam Whetstone, of this city, went down near Beaver slough Tuesday to what is called the Crane's Nest, which takes its name from the great number of those birds nesting there and with their 22's bagged 45 of those nuisances. It took some good shooting to reach those slenderly built creatures at the top of the fir trees, but their marksmanship proved equal to the emergency. It seems to us that it would not be a bad idea for the state to offer a small bounty on the scalps of cranes and cormorants, as the number of small fish and clams destroyed by them is much greater than is generally supposed.

Cure of Chronic Diarrhoea After Ten Years of Suffering.

"I wish to say a few words in praise of Chamberlain's Colic, Cholera, and Diarrhoea Remedy," says Mrs. Mattie Burge, of Martinsville, Va. I suffered from chronic diarrhoea for ten years and during that time tried various medicines without obtaining any permanent relief. Last summer one of my children was taken with cholera morbus, and I procured a bottle of this remedy. Only two doses were required to give her entire relief. I then decided to try the medicine myself, and did not use all of one bottle before I was well and I have never since been troubled with that complaint. One cannot say too much in favor of that wonderful medicine." This remedy is for sale by R. S. Knowlton.
