tion. It is a scientific fact that all cases of heart disease, not organic, are not only traceable to, but are the direct result of indi-gestion. All food taken into the stomach which fails of perfect digestion ferments and swells the stomach, puffing it up against the heart. This interfores with the action of the heart, and in the course of time that delicate but vital organ becomes diseased. Mr. D. Kauble, of Nerada, O., are: I had stemach brouble and was in a bed state set had heart trouble trouble and was in a bad state as I had heart with it. I took Kodol Dyspepsia Curs for ab
