Attack

Of Fast Heart Lasted 160 Hours.

Doctors Didn't Know What To Do.

Dr. Miles' Heart Cure and Nerve Cure Me.

"For seven years I have been troubled with what the doctors called a 'fast heart,' going at once from the usual beat to twice as fast, which in a short time would exhaust me terribly and only after treatment by a physician it would get back to normal speed. These attacks increased in frequency and severity until December, 1901, when they came on once a week. Each attack would lay me up a day or more. The attack beginning January 13th, 1902, lasted 100 hours (almost a week) my heart beat almost one hundred and fifty per minute and some times more. During this week my physician consulted with four other doctors, but all to no purpose. My heart finally slowed up, and it was then a serious question with my family what to do next, as for me, I was too far gone to care much what happened. Dr. Miles' New Heart Cure and Restorative Nervine, which I had taken eleven bottles of the Heart Cure and seven bottles of the Restorative Nervine. I had two slight attacks after I began the use of your medicine the last one lasting only thirty minutes. For more than three months my heart has run without a flutter. I am cured, and Dr. Miles' Remedies did the work. I have been postmaster here for more than ten years.—M. T. CASTRELL, F. M., Fredonia, Kansas.

All druggists sell and guarantee first bottle of Dr. Miles' Remedies. Send for free book on Nerves and Heart Diseases. Address Dr. Miles' Medical Co., Elkhart, Ind.

A portion of each number is edited with reference to the Woman of the World, another to the Woman at Home, and another to interest Youth, and still another for the Man of Affairs, covering equally the clerk just starting in life and the captain of industry.
