### Methodist Church For North Bend.

A new Methodist church will be erected in North Bend in the near future on the lots donated for that purpose by L. J. Simpson. The lots are situated on Meade street between Washington and Virginia.

Rev. Chas. McPherson pastor of the M. E. church of Marshfield, who has been soliciting contributions for the new building, reports that the people have been very generous and a splendid building will be constructed to cost from \$2,000 to \$2,500. This speaks well of the Coos bay people's liberty and will be of great benefit to North Bend as there is nothing that will improve the appearance to a town more than the possession of church buildings.

The Methodists of this vicinity are to be congratulated upon their pastor, to whose untiring efforts they are mostly indebted for this building.—The Post.

### Calapooia Timber Burning.

Brownsville, Or., Aug. 24.—Forest fires are raging in mountains between the Calapooia and Mohawk Rivers, about 15 miles southeast of here, and much valuable timber has been burned. About 25 men went from here to help save Sawyer Bros.' mill, which was endangered, the mill owners having telephoned to Brownville for aid. The fire was still raging east of the mill in a fine body of timber at last reports.

### Cholera Infantum.

This disease has lost its terrors since Chamberlain's Colic, Cholera and Diarrhoea Remedy came into general use. The uniform success which attends the use of this remedy in all cases of bowel complaints in children has made it a favorite wherever its value has become known. For sale by R. S. Knowlton.

### Tillamook May Vote Dry.

Tillamook, Or., Aug. 24.—It has been decided to take a vote on the local option law for the entire county and petitions to that effect are being circulated. From present indications there is every probability that Tillamook County, the wettest part of Oregon, will vote "dry" in November.

When the measure was voted upon in June, 566 voted for it, 330 against and 206 failed to vote. The vote was a surprise to the saloon-keepers, and the fear that the rural vote will again carry and close them out of business. There is but a small prohibition vote in the county, amounting to about 80, but the strong sentiment against the saloon is that they have been running wide-open gambling for years and on that account the rural vote is antagonistic to them. A movement is on foot to compel peace officers to enforce the law.

### Sick Headache

"For several years my wife was troubled with what physicians called sick headache of a very severe character. She doctored with several eminent physicians and at a great expense, only to grow worse until she was unable to do any kind of work. About a year ago she began taking Chamberlain's Stomach and Liver Tablets and today weighs more than she ever did before and is real well," says Mr. Geo. E. Wright of New London, New York. For sale by R. S. Knowlton.

A leading Toronto merchant sent word to one of his clerks to come to the boss' office, and when the clerk appeared, said to him: "I waited eight minutes for you in the bar while you were gossiping with the loafers standing about. This will cost you ten dollars with privilege of leaving if you wish. The next time you enter a saloon or barroom during business hours it will cost you twenty dollars with the privilege of leaving, and the third time it will cost you the privilege of leaving.—Ex.

### Violent Attack of Diarrhoea Cured by Chamberlain's Colic, Cholera and Diarrhoea Remedy and Perhaps a Late Saved.

"A short time ago I was taken with a violent attack of diarrhoea and believe I would have died if I had not gotten relief," says John J. Patton, a leading citizen of Patton, Alabama. "A friend recommended Chamberlain's Colic, Cholera and Diarrhoea Remedy. I bought a twenty-five cent bottle and after taking three doses of it was entirely cured. I consider it the best remedy in the world for bowel complaints.

## LIVER TROUBLES

"I used Theford's Black-Draught as a medicine for liver disease. It cured my liver after it had spent \$300 with doctors. It will cure anyone who takes it."—MRS. CAPOVINE MARTIN, Parkersburg, W. Va.

If your liver does not act regularly go to your druggist and secure a package of Theford's Black-Draught and take a dose tonight. This great family medicine frees the constipated bowels, stirs up the torpid liver and causes a healthy secretion of bile.

Theford's Black-Draught will cleanse the bowels of impurities and strengthen the kidneys. A torpid liver invites colds, biliousness, chills and fever and all manner of sickness and contagion. Weak kidneys result in Bright's disease which claims as many victims as consumption. A 25-cent package of Theford's Black-Draught should always be kept in the house.

Use Theford's Black-Draught for liver and kidney complaints and found nothing to equal it."—WILLIAM COFFMAN, Marblehead, Ill.

While giving great attention to fiction and entertainment—fifty short stories and one or more complete novels appear in its pages each year—it has a definite plan beyond. It may be likened to a great modern university, with a million and a half student-readers. A year's course embraces what is most important in the Scientific field, what is most interesting in Invention and Discovery, what is most entertaining in Travel and adventure, what is most valuable in the World of Business. A portion of each number is edited with reference to the Woman of the World, another to the Woman of the Home, and another to interesting Youth, and still another for the Man of Affairs, covering equally the clerk just starting in life and the captain of industry.
