### Rich-Gould Nuptials.

A very pretty wedding took place at eight o'clock on Wednesday morning at the home of the bride's parents Mr. and Mrs. Wm. Rich of this city, the contracting parties being Miss Belle Vaya Rich and Mr. A. N. Gould, Rev. T. Brouillette, pastor of the Presbyterian church, officiating.

Miss Rich has been a prominent teacher of Coos county for eight years, teaching in the Coquille City public schools last year and holding her position for the ensuing year.

Mr. Gould is the eldest son of a prominent pioneer family of Coos Bay. He is a civil engineer by profession, and at present is deputy county surveyor for Coos county. The bride was attired in a lovely gown of white crepe de chine over taffeta, which was exchanged for a beautiful traveling tailor made suit of navy blue velvet just before their departure for their home in Coos county.

The floral arrangements in the home were beautiful and lent an added charm to the occasion. During the ceremony the young couple stood beneath an arch of white flowers entwined with a profusion of green foliage, all of which blended nicely and afforded a lovely and ideal picture frame for the hand-some pair.

The dining room and breakfast table were decorated with equal taste. Marechal Niel roses and ferns harmonized well with the center piece of luscious grapes which nestled temptingly in an abundance of their own lovely foliage.

Here a delicious breakfast was served after which Mr. and Mrs. Gould left by boat for Coos Bay, where they will visit for a few days with Mr. Gould's people, when they will begin housekeeping in their own cozy home in Coquille City. We wish them long life and prosperity.—Newburg Graphic.

Was Always Very Pale and Thin.

Nervous Prostration—Faint Spells.

Dr. Miles' Nerve Saved My Life.

There is great danger in a run down condition. Overwork, mental strain, the cares and worries of business and the home, all have a deleterious effect upon the nerves, which in their debilitated condition readily fall prey to the attacks of disease. Aside from the danger there is no condition attended by so many disagreeable symptoms; such as loss of appetite, indigestion or nervous dyspepsia, headache, tired feeling and loss of ambition together with the agony of sleepless nights spent in tossing restlessly about, only to rise exhausted in the morning. Dr. Miles' Nerve is a true nerve tonic which, by strengthening the nerves, restores health and appetite and brings sweet sleep.

"For six years I suffered almost constantly from a complication of troubles which culminated in complete nervous prostration. I had no appetite, I could not sleep, I suffered from indigestion and nervousness. As is so often the case in nervous prostration I frequently had weak, fainting spells. Doctors did not help me. They said my blood was very poor, and I know my face was always pale. Another doctor told me to take Dr. Miles' Restorative Tonic and Anti-Pain Pills. I believe the Dr. Miles' Remedies saved my life."—Jas. J. C. BARNETT, Tucker, Utah.

It may be likened to a great modern university, with a million and a half student-readers. A year's course embraces what is most important in the Scientific field, what is most interesting in Invention and Discovery, what is most entertaining in Travel and adventure, what is most valuable in the World of Business. A portion of each number is edited with reference to the Woman of the World, another to the Woman at the Home, and another to Interest Youth, and still another for the Man of Affairs, covering equally the clerk just starting in life and the captain of industry.

What the Twentieth Century Home Offers
