J. J. Stanley returned Wednesday evening from Salem where he had been for the purpose of taking examination for admittance to the bar. He will not know the results of the examination for a few days, but knowing Mr. Stanley's ability as we do, we have no hesitancy in offering our congratulations in advance.

Get in line with the Board of Trade. It is greatly to be desired that the resources and opportunities for investment be better known abroad, and that settlers be secured to develop such resources. Nothing helps develop a town or country so much as a good board of trade. Let everyone interested in Coquille and the Coquille valley join in and lend a hand to help the good cause. Board meets every Monday evening at Town Hall.

On Thursday of last week a spark from one of the electric motors drawing coal from the Beaver Hill mine, ignited a little bunch of gas in gangway No. 6, causing an explosion. Two men were on the car and were slightly burned. The fire from the burning gas caught some of the dry timbers and it was reported to be a serious matter, but by the prompt action on the part of Manager Chandler the mine was closed at once, which smothered the fire and prevented a spread. The mine was opened Monday and Mr. Chandler, with his men, went in and remained five hours. They have the fire completely under control and the men will resume work in a day or so.
