THIRTE THIRCE.

(Daily Coast Mail.)

C. H. Merchant is seriously ill at his home in South Marshfield.

E. Heickendorff left on the Breakwater for a short business visit to San Francisco.

John and Mae McIntosh are passengers on the Breakwater for a visit to San Francisco.

Attorney J. S. Coke was a passenger on the Breakwater for a short business visit to the city.

A number of the local music lovers met at the home of Mr. and Mrs. Geo. Ayre, in South Marshfield, last evening and the preliminary steps were taken to organize a music club. The name of the club is to be the Marshfield Mandolin Club. Several very pleasant hours were spent before the party adjourned to meet again next Tuesday at the same place when the organization will be perfected.

The Congressional Committee has returned from Panama with the conclusion drawn from close observation that a sea-level canal between the oceans is the only one to be thought of.

Already some state legislatures have been petitioned to pass laws prohibiting football. During the past season 14 players have been killed, and 296 hurt. It is a question whether the game is not as barbarous as a bull fight, which no humane American would patronize under any consideration.

The emotional gush and flap-doodle about Nancy Patterson is increasing the disrepute into which jury trials have already fallen. The divorced woman on trial for murder of a married lover is tenderly alluded to as an innocent girl, and flowers, money, and offers of marriage are carried to her cell. One trial has already miscarried by a sensitive juror becoming suddenly incapacitated. And now this simple-minded creature informs the world that she doesn't want any old man on her jury! Is justice impossible when the prisoner at the bar can get her eyes upon an impressionable jury?

Explosion in Factory.

Portsmouth, Dec. 16.—Effie Phillips was killed and Mattie Rice and Ola Smith were fatally injured as a result of a panic caused by an explosion in a toy cap factory of Lloyd & Adams. The girls jumped from third story windows. Many other employees were burned and bruised. The building is partly destroyed.

Washington, Dec. 15.—Brigadier-General Samuel M. Whiteside, retired, who had command of the department of the Santiago during the Spanish war, died suddenly in this city today.

Washington, Dec. 15.—Representative Hermann introduced a bill appropriating \$100,000 for the construction of a dredge for service in harbors and bays along the coast.

Sawmill Wanted.

Special inducements will be made by J. D. Myers of Matt Rink creek, to anyone wishing a site for a portable sawmill. Everything necessary right at hand for a business of this kind.

Hicks' 1905 Almanac.

The Rev. Irl R. Hicks Almanac for 1905 is now ready, being the finest edition ever issued. This splendid and costly book of 200 pages is a complete study of astronomy and storm and weather for 1905. It is too well known to need comment. See it and you will so decide. The price, postpaid to any address, is 30 cents per copy. The Rev. Irl R. Hicks' scientific, religious and family journal, Word and Works, now abreast with the best magazines, is 75 cents a year. Both Word and Works and the Almanac \$1.00 per year. No better investment possible for any person or family. Try it and see. Send to Word and Works Pub. Co., 2201 Locust St. St. Louis, Mo.

Cabinet Needles Free.

The Journal will send free to any reader of this paper a cabinet of needles all sizes and kinds, who remits 50 cents for the Daily and Sunday Journal for one month, or the Sunday Journal for four months, or the Semi-Weekly Journal for five months, or the Weekly Journal for six months. Address The Journal, Portland, Oregon.

Fight Will be Bitter.

Those who will persist in closing their ears against the continual recommendation of Dr. King's New Discovery for consumption, will have a long and bitter fight with their troubles, if not ended earlier by fatal termination. Read what T. R. Beall of Beall, Miss. has to say: "Last fall my wife had every symptom of consumption. She took Dr. King's New Discovery after everything else had failed. Improvement came at once and four bottles entirely cured her. Guaranteed by R. S. Knowlton, Druggist. Price 50 cents and \$1.00. Trial bottles free.

RECTOR OF ST. LUKE'S Ashburnham, Ontario, Testifies to the Good Qualities of Chamberlain's Cough Remedy.

Ashburnham, Ont., April 18, 1903.—I think it is only right that I should tell you what a wonderful effect Chamberlain's Cough Remedy has produced. The day before Easter I was so distressed with a cold and cough that I did not think to be able to take any duties the next day, as my voice was almost choked by the cough. The same day I received an order from you for a bottle of your Cough Remedy. I at once procured a sample bottle, and took about three doses of the medicine. To my great relief the cough and cold had completely disappeared and I was able to preach three times on Easter day. I know that this rapid and effective cure was due to your Cough Remedy. I make this testimonial without solicitation, being thankful to have found such a God-sent remedy. Respectfully yours, E. A. Langfeldt, M. A. Rector of St. Luke's Church, Toronto to Chamberlain Medicine Co. This remedy is for sale by R. S. Knowlton.
