(Coos Bay News.)

J. H. Mason shipped 87 boxes of frozen steelheads to the Alliance to Portland, en route to Hamburg, Germany. The boxes contained 260 pounds each.

John F. Hall left on the Alliance for Portland. He is on his way to Salem where the case of Sengstacken vs. McCormac is to be taken up by the supreme court on the 5th.

Mrs. Magee, of Empire, had a letter lately from Capt. Magee, who was at Honolulu when he wrote. He is enjoying his trip, and expects to be home by the middle of February.

Capt. Nelson, of the life-saving station, reports that on Friday last the 2nd class can boy, which was anchored off the North spit jetty, broke the chain and drifted in on the North spit.

A Heckl took in North Bend, one night lately, or rather someone in North Bend took in "Heckl," to the tune of \$75. He says "it don't look good to me," and like the man who visited the Bowery in New York, he'll never go there any more.

Capt. Alex Beattie and Miss Gene Beattie, who had been visiting their uncles Robert and John, near the Randolph beach, were passengers on the outgoing Breakwater. Capt. Beattie will take charge of a ship on the Atlantic coast, and Miss Beattie is returning to her home in Scotland.

BORN.—At Marshfield, Dec. 29, 1904, to Mr. and Mrs. Judd Mills, a son.

It looks as if the cost of the Panama canal might be reckoned somewhat like that of an automobile—the initial expense not so impossible as the amount it will take to run it.

Rigid economy is to be the motto of the next session of the 57th Congress. The members who come loaded down with public building and river and harbor bills will meet a frost.

If the publicity given Tom Lawson's disclosures written at space rates can affect stocks as it has what might not be expected from the policy of publicity in corporate affairs recommended by the president?

Governor-elect Stokes says that during his term of office heads of departments must be at their desks five days in the week. Fancy the commotion if such a rule were made for the Senate during the next session of Congress.

The Chaplain of the House of Representatives is an ardent admirer of the president. It is said that on one occasion, being absent minded, he forgot his text and concluded with "I forget you, Lord, to the President's last annual message."

An agreeable movement of the bowels without any unpleasant effect is produced by Chamberlain's Stomach and Liver Tablets. For sale by R. S. Knowlton.

(Daily Coast Mail.)

Tom Houser is seriously ill at the home of his sister Mrs. Geo. Morris on C street.

W. P. Murthy is moving into his new warehouse today.

The Beaver Hill mine turned out 500 tons of coal last Saturday. That's going a few.

The fixtures etc. are being put into place in the new National bank, and the bank will soon be open for business.

The Breakwater leaves San Francisco today at 5 and sailed for San Francisco Saturday at noon. She will take out over 800 sacks of potatoes.

The steamer Czarina took away 1250 tons of coal on her last trip to San Francisco. This is one of the biggest shipments that ever left Coos Bay, but Beaver Hill coal is in such demand in San Francisco the boats have to be loaded down very heavy to supply the wants.

Impaired Digestion.

Means less nutrition and in consequence less vitality. When the liver fails to secrete bile, the blood becomes loaded with bilious properties, the digestion becomes impaired and the bowels constipated. Herbine will rectify this; it gives tone to the stomach, liver and kidneys, strengthens the appetite, clears and improves the complexion, infuses new life and vigor to the whole system. 50 cents a bottle. Sold by R. S. Knowlton.

Notice.

We the undersigned want it understood that the tickets marked Dispatch and Favorite are not good on Str. Antelope, and that when such tickets are purchased from Capt. Panter they will not be honored. Signed: THOS. WHITE, JOHN C. MOOMAW.

Hicks' 1905 Almanac.

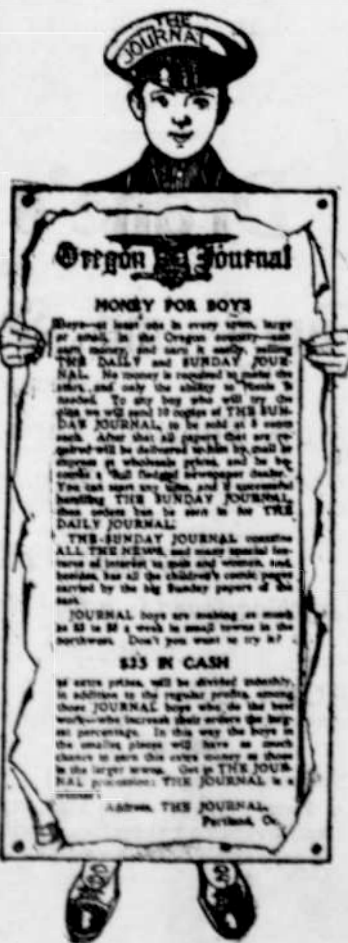

The Rev. Irl R. Hicks Almanac for 1905 is now ready, being the finest edition ever issued. This splendid and costly book of 200 pages is a complete study of astronomy and storm and weather for 1905. It is too well known to need comment. See it and you will so decide. The price, postpaid to any address, is 30 cents per copy. The Rev. Irl R. Hicks' scientific, religious and family journal, Word and Works, now abreast with the best magazines, is 75 cents a year. Both Word and Works and the Almanac \$1.00 per year. No better investment possible for any person or family. Try it and see. Send to Word and Works Pub. Co., 2201 Locust St., St. Louis, Mo.

Cabinet Needles Free.

The Journal will send free to any reader of this paper a cabinet of needles all sizes and kinds, who remits 50 cents for the Daily and Sunday Journal for one month, or the Sunday Journal for four months, or the Semi-Weekly Journal for five months, or the Weekly Journal for six months. Address The Journal, Portland, Oregon.

Stomach Troubles and Constipation.

"Chamberlain's Stomach and Liver Tablets are the best thing for stomach troubles and constipation I have ever sold," says J. R. Cullman, a druggist of Pottersville, Mich. They are easy to take and always give satisfaction. I tell my customers to try them and if not satisfactory to come back and get their money, but have never had a complaint! For sale by R. S. Knowlton.

Special Notice.

The Coquille City HERALD having bought out the Coquille City Bulletin and its business, and the two papers having been consolidated, all sums that were due and owing to the Bulletin on July 1, 1904, are now due and payable to the HERALD and should be settled at once to give us a chance to get our accounts balanced up. The HERALD will fulfill all obligations of the Bulletin in the matter of subscriptions.

Chamberlain's Cough Remedy the Best Made.

"In my opinion Chamberlain's Cough Remedy is the best made for colds," says Mrs. Cora Walker of Porterville, California. There is no doubt about its being the best. No other will cure a cold so quickly. No other is so sure a preventive of pneumonia. No other is so pleasant and safe to take. These are good reasons why it should be preferred to any other. The fact is that few people are satisfied with other after having once used this this remedy. For sale by R. S. Knowlton.

James W. S. Langerman, representative of the Sultan of Morocco, calls attention the fact that although Morocco is a fine market for our wares no American enterprise except the Standard Oil Company has taken advantage of it. Maybe Mr. Langerman does not know that after the Standard Oil Company gets in there is not much room for anyone else.

Cured Lumbago.

A. B. Cannon, Chicago, writes March 4, 1903. "Having been troubled with Lumbago, at different times and tried one physician after another, then different ointments and liniments, gave it up altogether. So I tried once more, and got a bottle of Bullard's Snow Lintiment, which gave me almost instant relief. I can cheerfully recommend it, and will add my name to your list of sufferers." Sold by R. S. Knowlton.

Sawmill Wanted.

Special inducements will be made by J. D. Myers of Matt Rink creek, to anyone wishing a site for a portable sawmill. Everything necessary right at hand for a business of this kind.

Pleasant and Most Effective.

T. J. Chambers, Ed. Vindicator, Liberty, Texas, writes Dec 25, 1902: "With pleasure and unhesitatingly, I bear testimony to the curative power of Bullard's Horehound's Syrup. I have used it my family and can cheerfully affirm it is the most effective and best remedy for coughs and colds I have ever used." Sold by R. S. Knowlton.

WHAT THE COSMOPOLITAN MAGAZINE GIVES.

Single copies 10c. Annual subscription \$1. The Cosmopolitan Magazine occupies a position distinctly its own. While giving great attention to fiction and entertainment—fifty short stories and one or more complete novels appear in its pages each year—it has a definite plan beyond. It may be likened to a great modern university, with a million and a half student-readers. A year's course embraces what is most important in the Scientific field, what is most interesting in Invention and Discovery, what is most entertaining in Travel and adventure, what is most valuable in the World of Business. A portion of each number is edited with reference to the Woman of the World, another to the Woman of the Home, and another to Interest Youth, and still another for the Man of Affairs, covering equally the clerk just starting in life and the captain of industry.

What the Twentieth Century Home Offers

Single copies 10c. Annual subscription \$1. A magazine for Women, printed on fine coated paper (toned), beautifully illustrated. It will contain what is newest, if best, what is most useful, if new; what is most entertaining, if helpful, what is most instructive, if interesting.
