Cox-Billings.

At the home of the bride's parents, Dec 24, 1904, Mr. Leonard Cox, of Port Orford, and Miss Mildred Billings, of Myrtle Point, were united in holy wedlock by Rev. Thomas Barklow. The bride is a well respected young lady, daughter of Steve Billings, while the groom is a prosperous young man, son of Wm. Cox, of Port Orford. The bride was beautifully attired, her dress being made of white allover trimmed with silk allover lace and edging. Her veil was held in place by a wreath of orange blossoms. The room was tastefully decorated with ivy and mistletoe. The young couple stood under a bell of mistletoe.

The wedding was largely attended and a good many nice and useful presents were received.

The young couple have many friends who wish them a happy and prosperous journey through life.

They visited at Coquille City and Prosper before going to Port Orford where they will reside.

Cabinet Needles Free.

(Myrtle Point Enterprise.)

The telephone line up the East Fork is now completed and in working order.

Frank B. Mishener, the W. O. W. organizer, has gone to Portland.

Mrs. Geo. Tajory, a pioneer lady of the Coquille Valley, and well known to early settlers, died at the home of her daughter, Mrs. Louis Billings, near this city, Wednesday. She was born in Canada, later moved to New York and in 1860 the family came to Coos county and settled on the South Fork. Six adult children survive her, her husband having died about fifteen years ago. Funeral services were held at the German Baptist church Thursday, and the remains interred in the Myrtle Point cemetery.

BORN.—At Dora, Jan. 2, 1905, to the wife of Jesse Crosby, a 12 pound son.

New Jersey woman has been indicted as a common scold. But why should she be punished while the Daughters of the Revolution go scot free.

A husband is said to have killed his wife on account of a kidney stew. Perhaps his married life had been a continuous stew and this last concoction was the final straw.

It is no longer the man who broke the bank at Monte Carlo, but the woman who broke the banks in Ohio.

Japs Gathering in the North.

Mukden, Jan. 5.—Japanese reinforcements are now concentrating around Benibu, thirty miles northeast of Liao Yang. It is believed that this is an indication of a pending attack on Russians' right flank. The Japs are erecting fortifications on the northwest. They continue to bombard Poutisoff hill and the villages to the west.

St. Petersburg Jan. 5.—It is stated on high authority that a decision has been reached that Russian Second Pacific Squadron shall return to European waters.

There is at present much agitation of the smoke question in Washington. It is not, however, tobacco smoke that the ladies object to, but smoking chimneys of factories, a la Pittsburgh. Congress and the people of Washington insist on an occasional glimpse of the sky.

Impertect Digestion.

Means less nutrition and in consequence less vitality. When the liver fails to secrete bile, the blood becomes loaded with bilious properties, the digestion becomes impaired and the bowels constipated. Herbine will rectify this; it gives tone to the stomach, liver and kidneys, strengthens the appetite, clears and improves the complexion, infuses new life and vigor to the whole system. 50 cents a bottle. Sold by R. S. Knowlton.

Notice.

We the undersigned want it understood that the tickets marked Dispatch and Favorite are not good on Str. Antelope, and that when such tickets are purchased from Capt. Panter they will not be honored.

Signed: THOS. WHITE, JOHN C. MOOMAW.

Chamberlain's Cough Remedy the Best Made.

"In my opinion Chamberlain's Cough Remedy is the best made for colds," says Mrs. Cora Walker of Porterville, California. There is no doubt about its being the best. No other will cure a cold so quickly. No other is so sure a preventive of pneumonia. No other is so pleasant and safe to take. These are good reasons why it should be preferred to any other. The fact is that few people are satisfied with other after having once used this remedy. For sale by R. S. Knowlton.

Cured Lumbago.

A. B. Cannon, Chicago, writes March 4, 1903. "Having been troubled with Lumbago, at different times and tried one physician after another, then different ointments and liniments, gave it up altogether. Knowlton.
