At a meeting of the Board of Trade last Saturday evening B. Fenton was elected to represent Myrtle Point in the Coos County Development league.

There are a good many boys and girls in this town who think they are in love and think they want a husband or a wife, when what they really need is a good sound spanking and to be sent to bed without their supper.

Young Quay appears to have overheard that it costs \$50,000 to be a senator in Pennsylvania. This is the first time that a Pennsylvania senator has had to bother about the cost.

It is claimed that \$1,500,000 was won on the American turf last Spring. One might infer, unpleasant as the subject may be, that about the same amount was lost.

Rate revision and tariff revision are all one to the Mormon if Congress will let the matrimonial schedules alone.

Afraid of Strong Medicines.

Graft and Guns in Illinois.

Springfield, Ill., Feb. 1.—An upheaval in the Illinois Legislature, possibly rivaling the recent boodling exposures in the Legislature of Missouri, may be the outcome of an address made by Representative D Comerford, of Chicago, to the students of the Illinois College of Law recently.

The General Assembly today appointed a committee of seven to investigate Mr. Comerford's charges, which are reported as specifically alleging that the Illinois Legislature is a great public auction, where special privileges are sold to the highest corporation bidder, and that, without respect to party affiliations, the "grafters" seem to be in the majority.

For the first time in the history of the Legislature of Illinois in many years, members of the General Assembly are armed. Threats have been made against Representative Comerford, who acknowledges that he carries a revolver in his pocket to defend himself in an emergency.

Agonizing Burns.

are instantly relieved and perfectly healed by Bucklen's Arnica Salve. C. Rivenbark, Jr., of Norfolk, Va., writes: "I burnt my knee dreadfully; that it blistered all over. Hicks' scientific, religious and family journal, Word and Works, now abreast with the best magazines, is 75 cents a year. Both Word and Works and the Almanac \$1.00 per year. E. T. Lucas, of Wingo, Ky., writes, April 25, 1902: "For 10 to 12 years I had been afflicted with a malady known as the 'itch.' The itching was most unbearable; I had tried for years to find relief, having tried all remedies I could hear of, besides a number of doctors.
