Lee Items.

As I have seen no items from
these parts for some time, I will en-
deavor to write some.

Beautiful weather is the program
of the day at present, but what
about the cold nights. O! how
cold.

W. H. Harmon, of this place, and
E. P. Mast, of McKinley, have gone
to North Bend on a business trip,
and no telling they may land up in
the calaboose before they get back.

Mrs. J. R. Leonard, who has been
suffering from blood poison in her
hand, is improving very slowly,
but owing to her advanced age, is
doing as well as could be expected.

Logging seems to be all the rage
in this vicinity. Several camps con-
templated starting about the middle
of March.

Mr. and Mrs. Jack Mast, of Co-
quille, visited relatives in this vicini-
ty last week, and took in the dance
given by the Lions' lodge last Sat-
urday night, which was quite a suc-
cess, both socially and financially.

Several cases of mumps in our
neighborhood at present.

David Sumerlin and Miss Carrie
Moreley were married at the resi-
dence of the bride's father last
Sunday. Rev. Smith of the U. B.
church, officiating. The young
couple have the best wishes of a
host of friends who wish them a
long and happy life.

With best wishes to the HERALD,
SKIPPER.

Mexicans Palmed off as Indians.

El Paso, Texas, Feb. 16.—H. B.
Pears, agent for the United States
Indian Bureau, is here investigating
the report that Mexican children
have been sent to the Government
Indian School from various parts of
the country on false affidavits that
they were one-fourth Indian blood.
It is claimed that hundreds of chil-
dren have been rejected recently
from the Oklahoma school for this
reason, while others, it is said, are
to be found in all the Indian
Schools.

Mitchell Will Serve out Term.

The belief is expressed in Wash-
ington that Senator Mitchell will be
able to hold on to his seat in the
Senate for the remaining two years
of his term. If he should be found
guilty in Judge Bellinger's court,
he will no doubt appeal, and it will
be all of two years before he ex-
hausts the resources at his command.
Meantime, like Senator Burton, he
has a right to retain his seat.

Agonizing Burns.

are instantly relieved and perfectly
healed by Bucklen's Arnica Salve.
C. Rivenbark, Jr., of Norfolk, Va.,
writes: "I burnt my knee dread-
fully; that it blistered all over.
Bucklen's Arnica Salve stopped the
pain, and healed it without a scar."
Also heals all wounds and sores.

sells at three papers for ten cents have
been thoroughly tested and are strictly
reliable.

Topeka, Kan., Feb. 16.—A bill
providing for a state oil refinery
passed the Kansas House of Repre-
sentatives today. Governor Hoch
will sign it at once. Under its pro-
visions a refinery will be located at
Peru, and another penitentiary will
be built there to provide convict
labor for it. An appropriation of
\$410,000 is made for building and
maintaining the refinery and peni-
tentiary.

This ends one of the most bitter
fights ever before made in the Leg-
islature. The Standard Oil Com-
pany and the railroads have main-
tained strong lobbies here vainly
trying to defeat the bill.

It is likely that the validity of the
bill will be tested in the State Su-
preme Court before it goes into ef-
fect. The bill calls for the issuance
of bonds for the amount necessary
to build the refinery. State Audi-
tor Wells, it is announced, will re-
fuse to register the bonds until the
Supreme Court says they are valid.

Some doubt is expressed as to the
constitutionality of the bill, and it
is to remove this that the matter
will be submitted to the court. It
was on account of the supposed
unconstitutionality of the idea that
most of the opposition was en-
countered. Several of the House
members, in voting for the bill to-
day, announced they were doing so
on accounts of the expressed wish
of their constituents, and not in ac-
cordance with their own desires.

Seldom has public sentiment been
so thoroughly aroused as on this oil
question.

The duty of the Legislature was
made very clear to the members.

About 25 convicts will be neces-
sary to do the work at the refinery.
Its capacity is to be 2000 barrels a
day.

Having renovated their mill at Ban-
croft, Fish Bros are now prepared to
furnish the public the best grades of
lumber, having employed experienced
hands.

Three papers of first-class, northern-
grown garden seeds at Knowlton's for
ten cents.

Itch-Ringworm

E. T. Lucas, of Wingo, Ky.,
writes, April 25, 1902: "For 10 to
12 years I had been afflicted with a
malady known as the 'itch.' The
itching was most unbearable; I had
tried for years to find relief, having
tried all remedies I could hear of,
besides a number of doctors. I wish
to state that one single application
of Ballard's Snow Liniment cured
me completely and permanently.
Since then I have used the liniment
on two separate occasions for ring
worm and it cured completely. 25c
