Oath is Given. Washington, March 4.—Theodore Roosevelt, of New York, and Chas. Warren Fairbanks, of Indiana, today were inaugurated, respectively, President and Vice-President of the United States. A few months ago theirs were the names to conjure with in one of the most noteworthy campaigns in the history of American politics. They were elected with the greatest popular acclaim ever accorded candidates by the electorate of this Republic. Today their names are again on every lip. The verdict of the American rendered on November was confirmed in the presence of such a throng as the National Capital rarely has witnessed and with a setting of brilliant pageantry. The inauguration of President Roosevelt was made a festal ceremony in Washington. The city is a symphony in color. A blaze of decorations greets the eye at every turn. From every staff the National Ensign breaks to the gentle breeze; great buildings are enfolded in the soft embrace of the Stars and Stripes, and entire blocks are a mass of patriotic color. About the white dome of the Capitol float immense American flags, and from the topmost point of the graceful granite shaft erected in memory of the first President springs a single American emblem—a vivid splash of red, white and blue against the sky. The decorations throughout the city are more elaborate and beautiful than on the occasion of any previous Presidential inauguration. Twice as many flags have been used this year by the inaugural committee as ever used before, and the splendor of the scheme adopted for the city's adornment never has been surpassed. A Chicago Alderman Oves His Election to Chamberlain's Cough Remedy. "I can heartily and conscientiously recommend Chamberlain's Cough Remedy for affections of the throat and lungs," says Hon. John Shenick, 220 So. Peoria St., Chicago. "Two years ago during a political campaign, I caught cold after being overheated, which irritated my throat and I was finally compelled to stop, as I could not speak aloud. In my extremity a friend advised me to use Chamberlain's Cough Remedy. I took two doses that afternoon and could not believe my senses when I found the next morning the inflammation had largely subsided. I took several doses that day, kept right on talking through the campaign, and I thank this medicine that I won my seat in the Council." This remedy is for sale by R. S. Knowlton.
