Summons.

IN THE CIRCUIT COURT OF THE STATE OF OREGON, FOR THE COUNTY OF COOS.

Thomas Wilson, Plaintiff, vs. Angus McDonald, Mary McDonald and John McDonald, Defendants.

To John McDonald, one of the above named defendants:

In the name of the State of Oregon, you are hereby notified that you are required to appear and answer the complaint filed against Angus McDonald, Mary McDonald, and yourself in the above entitled suit within six weeks from the date of the first publication of this summons, to-wit:

Within six weeks from Friday, the 10th day of March, 1905, the same being the date of the first publication of this summons, and if you fail to so appear and answer on or before Saturday, the 22nd day of April, 1905, the same being the last day of the time prescribed in the order for the publication of this summons, for the last publication thereof, judgment and decree will be taken against the defendants in said suit for the relief demanded in the complaint in this suit, a succinct statement of which is as follows:

That there be adjudged to be due and owing to the plaintiff from the defendants Angus McDonald and Mary McDonald the sum of \$800, together with interest on \$500 thereof at the rate of 8 per cent per annum, payable annually, from the 21st day of November, 1903; and together with interest on \$300 thereof, at the rate of 10 per cent per annum, payable annually, from the 22nd day of May, 1903; for such attorney fees in said suit as the Court may adjudge reasonable, and for his costs and disbursements in this suit.

That the two mortgages set out in the complaint herein, and which were executed by the defendants, Angus McDonald and Mary McDonald, to the plaintiff, to secure the payment, respectively, of the two promissory notes which are also set out in the complaint herein, be foreclosed, and the premises described in said mortgages, to-wit: The E ½ of the SW ¼, and the W ½ of the SE ¼ of section 9 in township 29 south of range 12 west of Willamette meridian in Coos county, Oregon, excepting 66 acres, more or less from the above described premises, which has heretofore been sold and conveyed to parties other than the plaintiff, as shown by the records of deeds of Coos county, Oregon, be sold in the manner provided by law, and that the proceeds thereof be applied to the payment of the costs of said sale and of this suit, and the sums found to be due on said two promissory notes as secured by said mortgages, and that the defendants, Angus McDonald and Mary McDonald, and all persons claiming under them subsequent to the execution of said mortgages be barred, and foreclosed in or to such premises.

That the over-plus if any there be, be paid into this Court to await its further order, and for such other and further relief as to the Court may seem equitable.

This summons is published by the order of the Hon. L. Harlocker, County Judge of Coos county, State of Oregon, made and entered on the 9th day of March, 1905, and which order specifies that the same shall be published for six consecutive weeks on the same day of each of said weeks, in the SEMI-WEEKLY HERALD, a semi-weekly newspaper printed and published in the above named county, at the City of Coquille.

Slaughtering Elk.

George Herron came to town last week from a two-months' sojourn on his homestead in the Tioga country, where he was engaged clearing land and putting in a crop. The Tioga district is the haunts of the elk and George, while on his last trip, saw two bands, which he estimated in numbers, to be 70. This noble animal is free from the assaults of the settler, but Mr. Herron informs us that the city nimrod from abroad makes regular trips to this section and slaughter elk whenever they come upon them, and that if the practice is continued the herd will certainly be exterminated before the expiration of the time of their protection. He says, however, that the new license law, with a vigilant game warden in that locality, should prove of inestimable value in preserving the king of all forest animals.—Sun.
