 To John McDonald, one of the above named defendants:  
 In the name of the State of Oregon, you are hereby notified that you are required to appear and answer the complaint filed against Angus McDonald, Mary McDonald, and yourself in the above entitled suit within six weeks from the date of the first publication of this summons, to-wit:  
 Within six weeks from Friday, the 10th day of March, 1905, the same being the date of the first publication of this summons, and if you fail to so appear and answer on or before Saturday, the 22nd day of April, 1905, the same being the last day of the time prescribed in the order for the publication of this summons, for the last publication thereof, judgment and decree will be taken against the defendants in said suit for the relief demanded in the complaint in this suit, a succinct statement of which is as follows:  
 That there be adjudged to be due and owing to the plaintiff from the defendants Angus McDonald and Mary McDonald the sum of \$800, together with interest on \$500 thereof at the rate of 8 per cent per annum, payable annually, from the 21st day of November, 1903; and together with interest on \$300 thereof, at the rate of 10 per cent per annum, payable annually, from the 22nd day of May, 1903; for such attorney fees in said suit as the Court may adjudge reasonable, and for his costs and disbursements in this suit.  
 That the two mortgages set out in the complaint herein, and which were executed by the defendants, Angus McDonald and Mary McDonald, to the plaintiff, to secure the payment, respectively, of the two promissory notes which are also set out in the complaint herein, be foreclosed, and the premises described in said mortgages, to-wit: The E ½ of the SW ¼, and the W ½ of the SE ¼ of section 9 in township 29 south of range 12 west of Willamette meridian in Coos county, Oregon, excepting 66 acres, more or less from the above described premises, which has heretofore been sold and conveyed to parties other than the plaintiff, as shown by the records of deeds of Coos county, Oregon, be sold in the manner provided by law, and that the proceeds thereof be applied to the payment of the costs of said sale and of this suit, and the sums found to be due on said two promissory notes as secured by said mortgages, and that the defendants, Angus McDonald and Mary McDonald, and all persons claiming under them subsequent to the execution of said mortgages be barred, and foreclosed of all right, claim or equity of redemption in or to such premises.
