Mixed with sleet which fell yesterday for a few minutes there were a few flakes of snow fell, the only snow which has been in this section during the whole winter. This looks a little strange to people from the eastern and middle states. "Golden Blossom" is made from select Pasteurized cream, flavored with "Lactic Ferment." No barn yard odor about it. The O. K. Creamery has deposited its bonds for the faithful performance of its contracts and promises with its patrons, with the First National Bank of this city. Why buy Eastern bacon and hams when you can get the good, wholesome Coos county product at the City Meat Market. A Myrtle Point correspondent to the Daily Coast Mail says: For some time I have considered the practicability of a Coos County Firemen's Relief Association. No fireman going to his duty to fight fire knows what accident may befall him during the struggle with the elements. It seems to me to be timely for all concerned in this work to form a society whose duty it would be to aid and assist one another should calamity befall one or the other, or more of our comrades. In such cases each and every fire department could give some entertainment, the proceeds of which would become a material benefit to the sufferers. What do you think of this? Write to the secretary, M. P. F. D. Brown Leghorn eggs from prize-winning stock, at \$1.00 per setting or \$5.00 per hundred. J. C. WATSON, Coquille.

The candidates of the several grades are: for the seventh grade, Lee Anna Gage; for the eighth grade, Ora Morgan; for the ninth grade, Emma Sherwood, and for the tenth grade, Laura Fox. Polls are now open at Knowlton's drug store and at Wilson's jewelry store, and will close at 8 o'clock p. m. on Saturday, April 15. Full program, which promises to be one of the best, will appear later. If you want to look at a fine line of underclothing go to Strang's.
