St. Patrick's Day, tomorrow, Saturday, March 17, will furnish one of the finest evenings Coquille has seen in some time. A number in honor of Highway Commissioner E. J. Adams at the Ko-Koi Club, a Hard Times dance, and a double header basketball game will keep a person going some to attend all three.

Among those over from the Bay to attend the funeral of E. D. Sperry on Wednesday were Judge John S. Coka, District Attorney John F. Hall, L. A. Liljeqvist, C. F. McKnight, A. B. Lund, and A. S. Hammond. Attorneys J. O. Stemmer, Cland Giles, E. C. Roberts and E. D. Palford were down from Myrtle Point.

Binger Hermann, of Roseburg, former congressman, and his son, Schiller Hermann, of Portland, arrived at the Bay Tuesday. Binger Hermann went to Myrtle Point Wednesday to visit his brother. Schiller Hermann remained on the Bay. He has been dickering on some Coos and Curry county timber deals for some time.

All the newest creations in millinery will be shown at The White House opening, Mar. 24.

The meeting of the council, which was to have been held last Monday evening to take action on bridge matters, was postponed until next Monday, as data and information necessary to start condemnation proceedings will be ready by that time and the council is anxious to push its share of the preliminary work as rapidly as possible.

Rev. H. M. Law returned last night from San Francisco, where he has been for the past month assisting E. H. Mowre, formerly Presiding Elder of this conference of the M. E. Church, South, in a series of revival meetings. Mr. Law came up on the Kilburn, having rather rough passage but happily did not suffer from mal de mer. He says the stewards, who indulged freely in booze as a preventive, were less fortunate.

W. H. Jenkins, traveling passenger agent of the Southern Pacific, was in town this morning. He stated the object of his visit to Coos county just now is to secure a place for two state picnics. One of these is the annual outing of the Y. M. C. A., and the other is the state picnic of the Loyal Order of Moose. As to the latter, the local Moose lodge has a committee at work on the proposition now and it is quite possible that event will be held in Coquille.

They Gave a Good Concert.

The Bandon Musical Club, organized by a group of young people, gave a concert at the Bandon Hotel last evening. The concert was a success and the program was well received. The club is a new organization and is expected to give more concerts in the future.

Grace M. Brown, who is noted for her versatility, was splendid as the violin and slide trombone, and seemed to enjoy responding to violin encores as much as the audience did hearing them.

Ruth M. Brown, singer and clarinet soloist, is a past mistress of the reed instrument, her tones for purity and clarity being faultless. Her readings, too, were of a nature which required unusual dexterity of art to successfully present as she did.

The mother of these two girls, Eleanor M. Brown, is the accompanist and manager of the company.

Several of the humorous skits and sketches presented by the two girls made a big hit with the audience, especially that depicting two girls at the "movies show," with all the tragedy and comedy of the action reflected on their countenances. Miss Grace especially has a faculty for "making faces" that is almost an art in itself.

This was the final Lyceum number for this year's program, but a contract has already been made, guaranteed by business men as was done last year, with the Ellison-White Bureau for another course next winter.

The selection given which was written by the composer, was Schumann's "Whims." Genevieve Chase, Sec.

Basket Ball Tomorrow.

Masonic Hall will be crowded to capacity tomorrow evening when that double header basketball bill is presented. Besides the Bandon-Marshfield game for the championship, Coquille and North Bend will stage a preliminary to play off the tie for third place. A special boat from Bandon and a special train from the Bay assures a full house without considering the local fans who will be anxious to witness these two big games.

Our removal sale will continue next week. The Ladies Bazaar.

Knowlton Association.

The Coquille Farm Loan Association organized last Saturday, included among its members, whose applications for loans aggregated \$25,000. This amount that the bank subscribed in the Farm Loan Bank for this district at Spokane was \$1,000, or 6 per cent of the loans applied for.

The meeting was called to order by C. A. Howard, vice president of the Commercial Club, who stated the object of the meeting and asked for the election of a temporary chairman. R. E. Knowlton was named for that position and J. L. Smith as temporary secretary. On Mr. Knowlton's departure at 12:30, J. J. Stanley was called to the chair and as he spent considerable time in drawing up the necessary papers and outlining boundaries he is entitled to the sincere thanks of the association.

The man who signed the application blank are C. E. McCurdy, A. L. Nozler, Nels Osmundson, O. L. Smallwood, Frank Willard, W. B. Rohrer, Fred Nozler, M. F. Aasen, W. B. Norris, S. L. Lafferty, V. G. Weekly and George Lester.

The board of directors was placed at seven and the following were named as such: C. E. McCurdy, A. L. Nozler, Frank Willard, Fred Nozler, O. L. Smallwood, S. L. Lafferty and W. B. Rohrer.

These directors selected as officers the following:

President—C. E. McCurdy.
Vice President—Frank Willard.
Sec. Treas.—R. H. Mast.
Loan Committee—W. B. Rohrer, Fred Nozler and Frank Willard.

As soon as the charter is received from the bank at Spokane this new association will be ready for business and then upon a two-thirds vote of the directors, new members may be admitted. It will probably be a month or more before any money on loans will be available for this association.

"Lift Up Your Eyes."

People here in Coquille are ever and anon "lifting their eyes to the hills" which rise to the east of the city. On their first gentle slopes lies the Patterson Grove which the city has finally secured for a public park. To the south of that lies a beautifully located piece of property, from which the timber has been cleared, and which will make ideal sites for homes from which a wide outlook over the city and the valley can be enjoyed.

This tract has been platted by the Coquille Land Company and in this issue their agent, Chas. A. Walker, is advertising these lots for sale at very reasonable prices and on remarkably easy terms.

This is the nearest accessible land not yet platted, and the improvements recently made in the east part of the city render them more readily accessible and more desirable than some that are not so far out.

Hard Times Dance.

The "Hard Time Dance" by the band and Coosonians tomorrow night at Heazlet Hall is causing a lot of comment. 74% cents, the price of admission, is a bargain price that carries an irresistible appeal. But there will be no bargain quality to the music and general good time which enlivens these Coosonian affairs.

Don't forget that our 4-magazine offer at 2 bits still holds good.

The recent completion of the copec circuit along the S. P. right-of-way between Cushman and Gardiner by the Pacific Telephone and Telegraph company affords an auxiliary high-class long distance telephone line between Coos and Curry counties and the outside world. Friday, February 23rd, heavy snows broke down the Roseburg-Myrtle Point line in the mountains and the new all-copper line via Eugene gave excellent service to Portland, San Francisco and other points.
