In Mr. Neiman's ad on another page are given the reasons why a \$30 increase in price, effective May 1, is necessary in order to retain the high standard of manufacture which the company has consistently maintained.

Mow to Kill the Rats.

"A highly recommended remedy for rats in poultry houses," says a writer in Farm and Fireside, "is poisoning with a mixture of two parts cornmeal and one part sugar of lead. Make sure that the rats do not come in contact with the poisoned feed, and also have the poisoned feed out of the reach of the chickens by putting the poisoned meal in the center of a tight box large enough so that chickens cannot reach it through the inch and a half holes made in the sides of the box so that the rats can enter it."

Begging the Question.

The phrase "begging the question," or in Latin "petitio principii," signifies the treating of a proposition as a fully demonstrated fact when it is actually only a premise or statement brought forward and not yet proved. In other words, to beg the question is to assume something to be true in order to evade the task of bringing forward the necessary argument to show its truth.

PAINT.

I have recently purchased a complete line of house paint at less than wholesale prices which enables me to make an astonishing price for house painting and decorating.

Please Note!

We have received a number of inquiries from students of the city school and others who are interested in our stenographic course, and who have expressed themselves as having decided to take up this work at a later period. For the information of those who contemplate joining the NIGHT class we wish to advise that on account of the limited amount of time in the Night school that we will only be able to have two classes of stenographers until these two classes are graduated which will require about six months. We accordingly urge those interested to join when the day school opens.

This announcement, of course, has no connection with the Day school where students may enroll at any time.

Another Old Veteran Gone.

At 9:30 last Monday night Benjamin F. Hill passed away at his home in this city at the age of 79 years, 10 months and 18 days. For the past three years he had been paralyzed and practically helpless. Following another severe stroke last Friday night he became unconscious and remained so until he breathed his last. The funeral services were held at the residence at 9:30 Wednesday morning, conducted by E. Quaternass. The remains were taken to Myrtle Point for interment beside those of two daughters buried there.

Mr. Hill was born in Washington county, Penn., June 5, 1837. He was a veteran of the war for the Union, having enlisted in September, 1861, and served throughout the war, being discharged March 8, 1866.

He married Matilda Pillars, who survives him, June 5, 1869. To this union were born five children, only two of whom survive, Charles W. Hill, of this city and Mrs. A. O. Hooton, of Bridge.

The subject of this sketch was baptized in 1875 by F. M. Hooton and has been a faithful member of the Christian church ever since.

After removing from Pennsylvania, the family lived for some time in Kansas, and in 1882 came to Oregon. They settled first at Hillsboro where they remained for two years, thence coming to Coos county where they have remained ever since. During his active life Mr. Hill was engaged in farming. Two years ago Mrs. Hill sustained a fracture of the hip and she has ever since been a cripple. Mr. Hill's name was one of the list of 25 people over 75 years of age which we published two weeks ago.

Card of Thanks.

To the friends of our husband and father who did so much to make his life brighter during his shut-in years and his last illness—especially the members of the Grand Army Post and the Women's Relief Corps—and to all who aided us during his illness and after our bereavement, as well as for floral gifts, we tender our heartfelt thanks.

Mrs. Matilda Hill, Mr. and Mrs. C. W. Hill, Mrs. A. O. Hooton.

Passing of Mrs. E. A. Thomas.

Mrs. Elizabeth A. Thomas passed away at Beaver Slough at the residence of her daughter, Mrs. Freeman Steward, about one o'clock Tuesday morning, April 24. She had been in poor health for two and a half years and her death was due to a complication of diseases.

The funeral services took place at the undertaking parlors in this city on the arrival of the Telegraph yesterday morning and were conducted by Rev. H. M. Law.

The interment was in the I. O. O. F. cemetery here.

Mrs. Thomas was born at Eureka, California, in 1863, and was 54 years of age. She married W. H. Thomas in 1877 and two years later they came to Coos county where she has since resided. Since 1895 she has been a resident of the Coquille valley.

She was the mother of three daughters, one of whom, Mrs. Elva, had gone before. The surviving children are Mrs. Lillian M. Steward and Mrs. Edna Steward, both of the Beaver Slough section.

Card of Thanks.

To the many friends who kindly aided us during the illness and after the death of our mother, we take this means of tendering our sincere thanks.

Mrs. George Steward, Mrs. Freeman Steward.

The leaving time of the noon freight at Marshfield has been changed from 12:20 to one o'clock p. m. giving visitors from this side 40 minutes more for business over there. Its leaving time here remains unchanged at 2:20.

Farmers Attention!

We want to remind you of some seasonable articles for this time of the year.

Formaldehyde

Before you plant your grain or potatoes give them a good soaking in this Formaldehyde Solution. It will improve the quality as well as prevent smut and rust.

Squirrel Poison

Now is the time to put out poison for the "pesky critters" as they are more hungry now than later and consequently a greater number will be destroyed.

Veterinary Vaseline

A very necessary article to keep the cows in shape through the muddy season.

Seed

We have a very complete line of all seeds—field and garden—and the finest Onion Sets. Prices consistent with quality.

May Day Dance May 5.

The Coosonians and the band are going to give a May-day dance on the evening of Saturday, May 5th, in the Hazlet Hall. The admission for gentlemen will be \$1.00; ladies free. The music will be furnished by the band, while G. Earl Low, Lon Denio, Walter Oerding and Chas. Harlocker will act as floormanagers.

The Coosonians have a very laudable object in view in giving these dances, besides that of furnishing a good time for the participants. Before long it is thought there will be enough funds in the treasury to procure uniforms for the Coosonians and members of the band—a uniform which will compare favorably with those worn by the Rosarians, of Portland, or the Radiators, of Eugene. Give them a boost.

Will Soon Run Night Shift.

Tuesday a scow load of 165,000 feet of spruce was brought up from the Aasen logging camp to the Sitka Spruce Co.'s mill here and on Wednesday and Thursday it was all sawed. This mill is now sawing from 75,000 to 80,000 feet a day, and just as soon as Craine's Camp begins to deliver logs a night shift will be put on which will run the total away above 100,000.

SIGNS.

I am prepared to meet your wants in any kind of sign work.
